FOUNDATION SCHOLARSHIPS

In addition to academic scholarships, the NEO Foundation provides over 70 DIFFERENT SCHOLARSHIPS, making your education even more affordable.

FOUNDATION SCHOLARSHIP APPLICATION DEADLINE IS MARCH 1

Detailed information about foundation scholarships can be found at neo.edu/foundation/scholarships
Northeastern Oklahoma A&M College lies within Miami, Oklahoma. Home of nearly 15,000 people, students will feel comfortable in the tight-knit community with 11 parks, the scenic Neosho River, and historic Route 66. Miami also offers dozens of restaurants offering everything from burgers from Waylan’s Ku-Ku to gourmet options at Stonehill Grill. Students looking for an evening out can also visit the breathtaking Coleman Theatre or enjoy the latest film at the Miami Cineplex.

**CAMPUS/LIBRARY**
Our two-floor campus Learning Resource Center offers everything you will need to do research, spend your free time, or receive tutoring. From books to computers and everything in between, you will have access to a full range of information media and services. You can also take advantage of our tutoring center and get help from professional tutors and advanced students. Help is never far away at NEO!

**DORM LIFE**
What do Facebook, Snapchat, and Google all have in common? They were all start-ups by college students sharing big ideas in their dorm! You don’t have to feel like you’re missing out on a “university experience” because our goal at NEO is to provide the feel of a four-year school in an affordable package.

Studies prove that students living on campus perform better academically and are more involved. NEO prides itself on being the largest residential two-year college in Oklahoma, and our halls offer more than just a place to sleep. There are numerous opportunities for leadership and involvement, activities, and many friends to be made!

In the residence halls and dining facility, students meet new friends and enjoy a wide variety of social, recreational and cultural activities. Residential and dining services strives to provide students with opportunities and programs to assist with their adjustment to the academic demands of college life.

**STUDENT ORGANIZATIONS**
With nearly 40 clubs and organizations on campus, students have the opportunity to share their passion.

**ACADEMIC CLUBS AND HONOR SOCIETIES**
NEO offers several academic clubs where you can apply the skills you have learned in class. From our Accounting Club to our award-winning Phi Beta Lambda Business Club, students can participate in skill-building exercises, trips, and activities. Regardless of your major, you can work together with people who share your interests. NEO is also home to one of the oldest chapters of the Phi Theta Kappa International Honor Society in the United States.

**INTRAMURAL AND SPORT CLUBS**
Whether you play for one of NEO’s sports teams or just love competition, NEO offers several intramural sports and sport clubs. From softball and flag football to bowling and table tennis, NEO intramurals take place during both spring and fall semesters.

**STUDENT ACTIVITIES**
Your options on campus don’t stop with clubs and organizations. NEO offers several free events each semester. Speakers, musicians, art exhibits, and more give every student the opportunity to have a true “big campus experience.”

**RECREATION/STUDENT ACTIVITY CENTER**
At NEO, we are dedicated to creating well-rounded students. That means training your body as well as your mind. When you become a student at NEO, you have access to a full range of wellness resources. The NEO fitness center offers free weights and guided resistance training, as well as treadmills, bikes, and elliptical trainers. We also offer a core fitness room equipped with kettlebells, medicine balls, cycles, and rowing machines. Finally, NEO offers a 75-foot, six lane, short course competition swimming pool.

STUDENT RESOURCES
AT NEO A&M COLLEGE

ADVISING
NEO’s Center for Academic Success & Advising (CASA) works tirelessly to help students succeed by helping explore degree options, make purposeful decisions, and strengthen leadership skills.

TUTORING
All students have access to 24 hour online tutoring through Smarthinking and on campus assistance in our tutoring center.

NEO HONORS PROGRAM
The NEO Honors provides students with high-level academic and leadership opportunities. Honors students enjoy the benefit of preferred housing, scholarships, advanced courses, and priority enrollment. For more information, visit NEO.EDU/HONORS

NATIVE AMERICAN STUDENTS
The American Indian Center for Excellence (AICE) aims to empower American Indian students to become successful, productive, healthy graduates. AICE provides a rich cultural environment in which students can embrace their heritage while building solid futures. For more information, visit NEO.EDU/AICE

MILITARY BENEFITS
Military Education Benefits can be used at NEO A&M College. Once students obtain their Certificate of Eligibility from the Office of Veterans Affairs, they can contact our Veterans Benefits Coordinator on campus.

UPWARD BOUND
Upward Bound is a program designed to help high school students acquire the skills and motivation necessary to succeed in high school and postsecondary education. Through this program students can earn income, receive tutoring services, and get prepared for college. For eligibility information, visit NEO.EDU/UPWARDBOUND

DEPARTMENT OF AGRICULTURE

Is your perfect day spent outdoors? Do you have a passion for the natural world or working with animals? If so, the NEO A&M Agriculture Department is for you!

From wildland fire management to agribusiness, you will learn the skills you need to make a successful career in the agriculture field. Students get hands-on experience at the state-of-the-art Animal Science Teaching Facility, and a low student-to-teacher ratio means there is always an opportunity to have your questions answered and perfect your skills. NEO A&M’s Natural Resource Ecology & Management program also gives students the opportunity to earn their red card wild and fire certification.

NEO A&M Ag also offers several athletic and competition programs. Livestock judging, equine judging, equestrian, and a nationally recognized rodeo program offer students the opportunity to compete for NEO while earning valuable leadership and teamwork skills. Students can also compete for four years at NEO through the Missouri State Pathways program, which allows students to earn a bachelor’s degree from Missouri State while in residency at NEO.

YOUR CAREER IN AGRICULTURE IS WAITING. GET STARTED TODAY WITH NEO A&M COLLEGE!

• Database Administrator
• Management
Do you have an unending passion for learning or desire to improve your community? Are you a leader who loves to meet new people? Maybe you create your own daily soundtrack?

At NEO A&M’s Department of Liberal Arts, you can develop critical thinking skills while expressing your creativity. Graduates from the Department of Liberal Arts receive a foundation of fundamental college courses. This means that whether you plan to enter the workforce or take advantage of credit transfer agreements, you will be prepared for the future.

Fine Arts students get more studio and performance time in modern facilities. Social Science students get hands-on experience with skilled instructors to prepare for careers in the service and English and Mass Communication students can explore several areas of communication as they earn credits toward a four-year program.

At NEO, graduates save money as they develop lifelong skills and prepare for the future.

“The amazing faculty and staff at NEO’s theatre department taught me many useful skills that I use at the American Musical and Dramatics Academy. At NEO, I developed leadership skills that have already put me ahead of my classmates. I was able to get experience onstage and backstage, which made the transition much easier! I will always treasure my years at NEO.”

- Shaniqa Randolph
  American Musical & Dramatics Academy, Los Angeles, 2009

“The transition from high school to college can be difficult, but at NEO, I never felt overwhelmed. I had one-on-one opportunities with professors, which helped me become who I am today.”

- Melanie Bingham
  Attorney, 1993

NEO EDU/LIBERAL-ARTS | 918-540-6291
Did you grow up wanting to be an astronaut, scientist, or architect? Maybe you love the satisfaction that comes with overseeing a large project. The NEO A&M Math and Science Department will get you started in a career that will not only earn you a competitive starting salary, but also change the world!

For students planning a career in engineering, pharmacy, and many more, NEO offers transfer agreements with several institutions to ensure that your classes will transfer seamlessly. Our students enjoy small classes and one-on-one instruction in critical subjects where they master fundamental skills.

Students wanting to enter the workforce get hands-on experience that will translate to the job site. Process technician starting pay ranges from $15–30 per hour and employees are in high demand! Close to one of the top 100 construction companies in the nation, construction management graduates develop a variety of skills to secure a lifelong career.

THE DEPARTMENT OF MATH AND SCIENCE AT NEO HAS AN OPTION FOR EVERYONE, SO START CREATING YOUR FUTURE TODAY!

**MATHEMATICS & SCIENCE AT A GLANCE**

- 5 DIFFERENT DEGREE OPTIONS
- AVERAGE STUDENT ENROLLMENT OF 150+
- GREAT PROGRAMS FOR JUMPING STRAIGHT INTO A GOOD JOB
- FIRST STEPS TO A PRESTIGIOUS ENGINEERING DEGREE

“I love the hands-on, challenging work. As a 20-year-old, I graduated from the Process Technology program and started out making $40,000 with no student loan debt, good benefits, and a chance to move up in my company. I also have the opportunity to move around the country or the world. NEO set me on the right path.”

- Lauren Lindsey
  Process Operator, Ceradime 2017

“I received a great start to my education at NEO. I wasn’t sure what I wanted to do and NEO allowed me to explore my options before I chose pre-med. After graduation, I continued my education and always felt that I was well-prepared for upper-division courses.”

- Joel Grigsby, MD
  Anesthesiology and Cardio-Thoracic Critical Care, KUMC – 1999
