DEDICATION

To the earnest, conscientious student who appreciates the opportunities that are his and makes the most of them; who realizes that superficiality spells failure and that honest work only can achieve success—to him we dedicate this 1928 Volume of the Jay Seer. May his tribe increase.
"Of studie took he moost care and moost heede,
Nought o word spak he moore than was neede,
And that was seyd in forme and reverence,
And short and quyk and ful of hy sentence.
Sownynge in moral vertu was his speche
And gladly wolde he lerne and gladly teche."
"But it be seldom on the holyday
Save, certeynly, that whan the month of May
Is comen, and that the floures ginnen for to springe,—
Farewell my boke, and my devocioun."
"And I come after, glenynge here and there,
And am ful glad if I may find an ere
Of any goodly word that ye han left."

FOOTBALL QUEEN

ESTHER GRINDLE
THE 1927 FOOTBALL SEASON

The first practice session of the 1927 season was held on September 12. Coach Williams's first call for men was answered by about thirty players including six veterans. After several days of practice the squad was cut to eighteen men which made up the varsity. The squad averaged 158 pounds.

After three weeks of conditioning and practice the Jay Seers journeyed to Carthage, Missouri, on a Lion hunting expedition against Ozark Wesleyan. Coach Collins' eleven edged out an 8 to 6 victory over the Oklahomans after a very hard fought game. In the second quarter Wesleyan made two points on a safety. In the third quarter a fumbled ball rolled across the goal line and was covered by a Lion for a touch down. In the fourth quarter Dunlap heaved a 40 yard pass to Waggoner for a touch down and the only Miami score.

On October 7 the Jay Seers dedicated their new athletic field by losing to the Claremore Cadets 7 to 0. It was a game marred by rough playing which resulted in many penalties for both aggregations. The Cadets out charged the Jay Seers in the first few minutes of the game and put over a touch down for the only score of the game. Thereafter the game see-sawed back and forth, neither team gaining any advantage. Miami threatened to score in the second quarter but were held for downs on the 11 yard line.

For the third game the Jay Seers journeyed to Fayetteville, Arkansas, and played the Arkansas Freshies. Here the Jay Seers took the short end of a 25 to 6 score. Five of Williams's men were on the injured list. The Freshmen averaged 200 pounds to the man. The baby Razor-backs scored once in the first quarter, twice in the second and once in the third. Miami's only score was made when Waggoner snatched a pass and crossed the goal line for a touch down late in the fourth quarter.

On October 20 the Jay Seers averaged their previous defeats by beating Coffeyville Junior College 25 to 0. The Jay Seers out played the visitors more than the score shows for two fumbles and 120 yards in penalties prevented two or three more touch downs. Neither team scored in the first quarter. Early in the second quarter Captain Gregory carried the ball over for a touchdown. A few minutes later Gregory caught the ball over for a touchdown. McCallum, Miami end, then picked up a fumble and raced 28 yards for the fourth and last marker of the game. Just before the game ended a Coffeyville player intercepted a pass on the Jay Seer 8 yard line and ran 80 yards before being overtaken by a Miami player. This game marked the first appearance of the Kampus Kats, girls pep organization. They performed for the benefit of spectators between halves as well as "pepping things up" during the game.

The next week-end the Bolivar Baptists journeyed to Miami for their annual game. The Jay Seers went into the game with eight men on the injured list but they were out to get revenge for the 6 to 0 loss of the previous year. Early in the game Miami kicked a field goal. Waggoner then went through the line for 33 yards and a touchdown.
The Baptists only threatened to score in the second quarter when they completed two long passes, but Miami held in the pinches and then took all hope from the visitors when Simpson grabbed a fumble and ran 30 yards for a touchdown. Wagoner then made another touchdown a few minutes later. In the fourth quarter Wagoner made his third touch down of the game. The final score was 28 to 0 in favor of Junior College.

The high point of the season was the game in which the Miamians defeated the Pittsburg Frosh 6 to 2. The Kansas team had not lost a game for three years to any team. The Jay Seers made their only score in the game in the second quarter when McCallum grabbed a fumble and ran for a touchdown. The Frosh score was made in the fourth when a Jay Seer punt was knocked back over the goal and was covered by a Miami player for a safety.

The Miamians outplayed Pittsburg in the first half and then held them in the last half. The Freshmen made their only serious attempt to score late in the fourth. On the Jay Seer 13 yard line the Frosh hit the line three times but failed to gain. On the fourth down they passed but the ball was intercepted by Pierce. The Oklahomans then punted but the ball went straight up into the air. The Frosh were then held for four more downs and then the Jay Seers punted out of danger. The Kansans carried the ball to Miami’s 10 yard line. They made an incomplete pass over the goal line as the whistle blew.

On November 18 the Jay Seers went to Ft. Scott to play Fort Scott Junior College. The Oklahomans had 40 points “dope” on Fort Scott but were over confident and held to a 6 to 6 tie. The game was played in the mud and was very slow. There were no outstanding plays on either side.

The Jay Seers played their Turkey Day game with Chilocco Indian School. Miami lost 13 to 6. The J. C. scored a touchdown in the second quarter on a line buck. The Indians scored in the first and third quarter.
PAUL N. WILLIAMS
Coach

MLLARD GREGORY—154 lbs.
Old steady, reliable buck. Never lost his head under fire. A powerful driving plunger and a fearless interferer. Brought spectators up in the air time after time by seemingly impossible catches of passes.

PAUL BACHMANN—194 lbs.
"Bach" was an ideal player; steady, shifty, powerful, and indomitable. He held the line like a stone wall, charged like a battering ram, and pulled out so fast into the interference that he sometimes got ahead of the backs.
EDDIE SIMPSON—145 lbs.
Eddie's shifty feet could get him by any interference, and his smashing tackling broke up many a touchdown drive.

HIRAM SAPP—178 lbs.
"Hi" was a powerful charger and wonderfully quick at pulling out into the interference. We will need a real man to fill up that hole at guard next year.

LUTHER GOINS—150 lbs.
In spite of a late start due to injuries, "Jelly" got back into the game with all his old fire and enthusiasm in a way that belied his nickname. The worse the breaks the harder "Jelly" fought.
EMERSON PRICE—165 lbs.

"Em's" terrific plunging and deadly tackling featured every game. And just add to that, that he could kick and pass and was a splendid pass receiver.

RAYMOND TUCKER—190 lbs.

"Tuck" was to the right side of the line what "Stuffy" was to the left. Time after time his furious rushes forced the opponents' passer to throw away the ball.

JAMES TEDROW—134 lbs.

Pound for pound "Ted" was the best player on the squad. His lack of weight was balanced by such tremendous speed that he was back on plays before they were under way. And how he could scrap!
CHARLES HARPER—168 lbs.
Charles was light for a tackle but he was probably the hardest tackler on the squad. No team ever had a gamer fighter than Charles. They just don't happen along.

HARRY PIERCE—146 lbs.
"Penalty" could play any place on the backfield and do a good job of it. His old gallop eluded tackler after tackler and he stayed in there with the never-say-die spirit.

DUMAS FREEMAN—180 lbs.
"Big Mick" never made a bad pass back all season. He was a wonderful defensive man also, whether in crushing running plays or in backing up to knock down passes.
BASKET BALL

Again this year the Jay Seers were without a place to display their basketball talent, but as soon as the football schedule was completed Coach Williams endeavored to find a place for the boys to practice. The Community Hall in Commerce was obtained for practice and the boys practiced busily for several weeks.

This practice had to be abandoned, however, on account of the inconvenience in getting to the place. The boys lived in different towns and were not all able to be there every night and finally the team was forced to disband.

The men out for the team were: Bachmann, Goins, Price, Dunlap, Sapp, Wagoner.

In the years to come it is hoped that Junior College will have a gymnasium of her own where the talents of her players may be used to the best advantage and where she may let everyone know of her skill in this field.
BASE BALL

No official base ball team was organized this year but it was planned to have a team from each class, so that the class having the best base ball material might demonstrate it to the school.

During the early spring months young men with articles pertaining to and used in connection with the Great American Game were to be seen on the campus northeast of the building. Mr. Williams found time to aid and instruct his Freshmen team in knocking flies that could not be caught. Nearly every boy played ball a little and some a great deal. In years to come we hope to see Junior College with a baseball team as strong as her present football team.

HORSE SHOES

This game was begun in our school by two young men who proved very adept in the art. These were C. Martin and J. Tedrow. Each found that the other was an admirer of the ancient game of horse-shoes and subsequently several pairs were obtained and the game began.

Before many days had passed the participants in the game had increased and a great number of the members of both sexes were to be seen waiting their turn.

The reason given for the fact that this game became extinct around the College is that someone moved the stakes about seventy-five feet from the College door and no one cared to walk that far merely to pitch a game of horse-shoes.
Fortune hath yeven us this adversitee.
So stood the heven when that we were born;
We must endure it; this is the short and pleyn.

OVERHEARD IN THE STAFF ROOM

Who has stolen those pictures?
Walter, when are you and Jelly going to work on those ads?
When will I get my annual?
It is impossible to put out an annual this late.
I expect to have my degree by the time this annual is out.
I have to go home now but I will work all day tomorrow.
Let's have a dance next Friday; we can make a little money that way.
Horses! Let's take out rain insurance and be sure.
Are we going to handle the track meet or not?
OVERHEARD IN THE STAFF ROOM

Sapp, got those pictures mounted yet?
Say, are you going to put out an annual this year?
Horses! I wonder what club this guy's in.
Come on fellows, let's go to the show; we can do that tomorrow.
Well, all right.
Get these people out of here so I can work, will you?
You mind your business and I will take care of mine.
I am going to quit. No one appreciates what I do.
Has anyone seen Sapp?
When on earth are you kids going to get to work?

The Women’s Glee Club, directed by Miss Beulah Parker, enjoyed a very successful year. They made several public appearances and were on the regular staff of KGGF Broadcasting Station, Picher, during the first semester. Their repertoire included: “Wake, Miss Lindy”—Warner; “I Love a Little Cottage”—O’Hara; “Little Papoose”—Cadman; “Teach Me To Pray”—Jewett; “Barcarole”, from Tales of Hoffman—Offenbach; “Little Girl With the Turned Up Nose”—Clarke.
The Women's Quartette presented some of the most pleasing numbers of the music department. Besides their appearances with the Glee Clubs they sang furnished selections at the Miami Music Club, Glory B Theatre and J. C. Assemblies. At Wyandotte H. S. Commencement, and Big Cabin H. S. Commencement. They sang: “Keep on Hopin’”—Maxwell-Herron; “Ching a Ring a Ring”—Clough Leighter; “The Sunbeam and the Rose” (Moonlight and Roses).
The Men's Quartette has been a favorite group wherever it has appeared. They made especially great "hits" at the annual "Rotary Ann" Banquet, and a certain Pink Tea. Their best selections were:

"Far Away in the South".
"Bendemeer's Stream".
The College Orchestra, under the direction of W. R. Parker, has been one of the most popular organizations on the campus. They met once each week for rehearsal and played at all assemblies.

Minutes of an L. D. B. Meeting

The meeting opened after Brother Bachman had removed his shoes to make standing room for the new members. Gas masks were passed around but failed to do any good.

Brother Sapp announced that he might be able to graduate this year; however he was not sure but that he might follow in Ash Baker's footsteps and take four years at N. E. O. J. C. for the good of the L. D. B's.

Brother Buckner was treated roughly because he drew a picture of a Gamma on the wall.

Brother Tucker was chastised for missing the spittoon, which was only eighteen feet away.

Brother Pierce gave a speech on "The Aim of Every L. D. B.", stating that John Barleycorn was their aim.

Brother Smithpeter made a motion that the Sigmas be given a dance. Brother Gregory objected. No reason given. Motion failed.

Meeting adjourned when Brother Goins lighted his pipe.

DEBATE CLUB

WE WONDER?

What all the Debate Boys bought at Kresge's besides rings?
If Bill Poteet still writes to Frances?
What kind of a boy Franklin was to make Wilma's eyes sparkle with love and to rave for a whole month?
Why Joe insisted on fighting him?
Where Reba Swayze and Hiram Sapp went after the debate?
How many desserts Bill bought at the Puritan Cafeteria?
Why Joe drank so much water during the debate?
Why Mr. Steed insisted on staying at Bacone dormitories?
Why Reba hated to leave Muskogee?
How Hiram Sapp became such a poet over night?

Regardless of these many causes for suspicion the Junior College is very proud of their debating team and we love to see them sporting out in those striking sweaters. (Even though the boys don't get to wear theirs much).—

The Debating Team, composed of Wilma Baugh and William Poteet, affirmative, Joe Henbest and Murray Staab, negative, and Hiram Sapp, alternate, debated four times this year. Two debates were with Bacone and two with Warner. On account of sickness Murray was unable to go and Hiram showed his school spirit by learning the debate in a period of twenty-four hours. Regardless of the short notice he was a credit to the school, as were all the others. The Coach was ill and Mr. Steed saved the day by taking the group to Bacone in his car, accompanied by Reba Swayze as chaperone. He, they, and the Dodge returned safely—much to the relief of President Floyd.
FIRST SEMESTER MIXER

The faculty and students met at the College Friday night, Sept. 16, for one of the snappiest "mixers" the college has ever had. There was a full and varied program of games and stunts which afforded entertainment for all and left none unacquainted when, at the last, an ice course with fruit punch, was served.

WELCOME PARTY

Seven-Eleven Club gave a "welcome party" for their new members Thursday night, Sept. 29, at the home of Miss Genevieve Tidwell, 209 C. St., N. W. New members of the club who were honor guests were: Jane Worley, Ruth Englebrecht, Alma Lee London, and Neva Lee Neff.

GLEE CLUB PARTY

A social entertainment for the Girl's Glee Club of the College was given Wednesday night, October 5, in Miss Parker's suite in the Kenoyer Hotel. The girls came in costumes representing childhood characters. The feature of the evening's entertainment was a series of contests in telling children's stories. The latter part of the evening was spent in singing, after which refreshments were served. This was one of the best meetings the club has ever enjoyed.

WIENER ROAST

Thursday evening, October 20th, the Freshies were guests of the Sophs on a wiener roast at Dripping Springs. The Sophs felt a little mean over the misery that they had dealt out to the Freshies during the preceding month, so wished to make amends. The Freshmen enjoyed themselves immensely under the motherly protection of Misses Vann and Moore, the chaperons. When refreshments ran a little low, some of the Freshmen boys accommodatingly brought in some chickens which were roasted and eaten with gusto (salt). It has never been ascertained how or where the chickens were obtained. Anyway, they satisfied.

PHI THETA KAPPA INITIATION

The Phi Theta Kappa held its first initiation of the year Oct. 24, to receive into active membership Luther Goins, Lynn Richards, Ruby Giyer and Frances Spradlin. Following the ceremony a social hour was enjoyed.

HALLOWE'EN PARTY

A Hallowe'en masquerade party was held in the auditorium Friday, October 28th. It was said by those present to be the best in the history of the College. The Bolivar football squad were the guests of honor. Everyone entered into the spirit of the night and the auditorium was a whirl of fearful merriment. The lights were shaded downward so the room seemed a ghostly shadowland. Jack-o'-lanterns and black cats grinned down evilly from the corners; wicked looking witches hung from the ceiling and great clouds of orange and black festoons filled the air with spooky rustlings. Two gigantic ghosts glided in among the guests with stories of terrible tragedies but were driven off. They nearly succeeded in carrying some charming young co-eds off to elf-land. To scare the ghosts away, the orchestra struck up some lively tunes and everyone joined in a hilarious dance until midnight.

—92—
L. D. B. WIENER ROAST

The L. D. B's. and their guests enjoyed a wiener roast Monday night, November 22, at Deep Well Springs. The drive was enjoyable and the usual campfire and other sports made a merry evening.

STEAK FRY

Seven-Eleven entertained with a steak fry Thursday night, Nov. 10. The club members and their guests drove to Elm Creek where a big campfire brightened the landscape for a merry evening of story-telling and song. The occasion for the event was the Jay-Seers victory over Pittsburg Teachers, and members of the team were guests.

SORORITY ORGANIZED

The Kappa Zeta Sorority was organized as the first social sorority of N. E. O. J. C. Nov. 11, at the home of Wilma Baugh, 201 C St., N. E. Sixteen girls were pledged and they chose as their sponsor Mrs. L. B. Drake.

TREASURE HUNT

New members of Seven-Eleven entertained Friday night, November 14, with a treasure hunt. The group assembled at the home of Miss Alma Lee London and followed 16 clues which led them over a wide area of territory and back again to the starting point where the treasure was hidden. Neva Lee Neff and Bob Pinnell won. A delicious supper was served the guests.

COLLEGE TEA

A pleasant time amid artistic surroundings was enjoyed Thursday afternoon, November 17, when the college personnel and their friends in the community met at the college for a tea sponsored by the Y. W. C. A. The tea was held in the Home Economics room which had been artistically arranged for the occasion. A program of readings and music was given by members of the organization assisted by Miss Beulah Parker, the college men's quartet, and the Kampus Kat mascot, Wilma Jean Stevens.

CORONATION CEREMONY

Friday night, November 18, ended the fierce and hectic campaign which had set the whole school by its ears for the past three weeks, to determine who should be King and Queen of the happy realm of N. E. O. J. C. for the next year. Slim Hopton and Modesty Mendelson, the Freshmen managers, covered themselves with glory by carrying Emerson Price and Virginia Jones, their candidates, to a brilliant finish. The Sophs made a last minute stand, just before the coronation, by alleging that conspirators from the Freshmen class had stolen a goose which the Sophs had for a raffle. The Sophs demanded a court trial with his honor, Professor Steed, as judge and asked, if the Freshies should be found guilty, that their King and Queen be outlawed. However, the impassioned pleading of Max Patten, the attorney for the upper-classmen, could not prevail against the silver tongued oratory of Bill Poteet and Gene Wagoner and the coronation ceremony was allowed to proceed. Amid a deep hush, under the expectant gaze of a crowd of subjects-to-be, the youthful aspirants to the kingdom, preceded by Wilma Jean Stevens and followed —98—
by Virginia Zajic and Suwaynne Loafman, pages, moved with dignified steps to the imperial throne set upon the stage. There crowns were placed upon their bowed heads and they were pronounced Queen Virginia and King Emerson by Paul N. Williams, Bishop. For the edification of the King and Queen, there followed a program consisting of a vocal solo by Wilma Jean Stevens, a reading by Virginia Zajic and solo dances by Wilma Jean Stevens and Mary Virginia Wright, accompanied by Miss Ruth Engelbrecht at the piano.

**TEA**

Seven-Eleven Club entertained at tea Tuesday afternoon, Nov. 20, from 4 to 5 o'clock at the home of Miss Genevieve Tidwell. The tea was given in compliment to the new local sorority, the Kappa Zeta. The table was lovely with its center piece of chrysanthemums, the sorority flower, and gracefully presided over by Jane Worley in the capacity of tea pourer.

**CHRISTMAS BRIDGE**

Miss Ruth Engelbrecht was hostess to Seven-Eleven at a Christmas bridge, December 8. Miss Genevieve Tidwell was winner of high score prize. Each guest found a gift on the Christmas tree. The hostess served delicious refreshments.

**FOOT BALL BANQUET**

Among the delightful events of the holiday season was the banquet, Friday night, December 9, at the Christian Church, given by the Kampus Kats in honor of the football team and in recognition of the team's successful season.

The setting for the occasion was one which presented a scene of gaiety. Streamers of blue and gold, the college colors, interspersed with small footballs, were suspended about the banquet hall. Dainty place cards and nut baskets marked each place. There were more than 75 guests, including faculty members, students and alumni, present. At the conclusion of the banquet a program was given by the Kampus Kats. Prof. J. B. Steed gave the principal address on "Football in College". R. J. Tuthill also made an appropriate talk.

---

**CHRISTMAS PARTY**

The Kappa Zetas held a delightful Christmas party Dec. 16, at the home of Mrs. E. E. Simpson. A beautiful Christmas tree and Santa Claus proved entertaining diversions.

---

**CHRISTMAS PARTY**

The student body enjoyed a Christmas party and program at the College, Tuesday evening, December 20th. A pageant of the months was given as the feature part of the program in which the months, impersonated by twelve prettily and appropriately costumed girls, passed in review as the story of the months was read effectively by Miss Wilma Baugh. The month of January was impersonated by Jennie Berry; February, Ila May Myers; March, Ruth Engelbrecht; April, Genevieve Tidwell; May, Lucille Sanders; June, Esther Grindie; July, Miami Standefer; August, Wilma Parker; September, Mara Barton; October, Lucille Mathis; November, Helen Stinnett; December, Neva Lee Neff. Music was furnished by Fern Vandegriff and Walter Hopton, soloists, and Jeta Rogers, pianist.
Following the pageant and music, several contests proved to be good mixers. The company assembled again for another entertainment while pictures of Old Mexico were thrown on a screen by Prof. L. B. Fritz, director of the extension department of Oklahoma University, who took them himself in a tour of the country in which he was accompanied by Miss Herrin and Mrs. Troy Morgan, both so well known that it helped to give reality to the pictures. At the close of the entertainment refreshments were served, during which an ice cream eating contest was won by Jimmie Tedrow, Robert Barrows, and J. B. Steed.

**Sorority Organized**

The Seven-Eleven Club was initiated into Sigma Iota Chi Sorority Jan. 14, 1928. Mrs. Oral C. Hillman of St. Louis, Missouri, installed the chapter. Mrs. Hillman is grand organizer for Sigma Iota Chi, the largest National Junior College sorority. Following the formal pledging Mrs. M. C. Pinnell entertained at tea complimentary to Mrs. Hillman, Mrs. R. W. Skinner, Patroness, and Miss Henrietta Moore, Sponsor.

**Tea**

Mrs. R. W. Skinner held open house Saturday afternoon, Jan. 14, at her home, 110 A, N. W. The affair was in compliment to Mrs. Oral C. Hillman of St. Louis, who had just installed Tau chapter of Sigma Iota Chi. This is the first national sorority at the college. The Skinner home was charming in its chaste decorations of rosebuds and candles. The tea table was presided over most gracefully by Mrs. M. R. Floyd. Guests were members of the new sorority, their mothers, friends and members of the College faculty.

**K. K. Tea**

Misses Wilma Baugh and Lucille Sanders entertained Wednesday, Jan. 25, with a tea at the home of Miss Baugh. Mrs. L. B. Drake presided over the tea table, and was assisted in serving by Mrs. W. L. Baugh. The tea was given in compliment to the K. K’s. and the members of the faculty and their wives.

**Kappa Zeta Inspection**

January 25 turned out to be a very eventful day for the local Kappa Zetas. Mrs. Wendell T. Meredith, Grand Organizer of Eta Upsilon Gamma, came for the inspection of the organization. Mrs. H. B. Cobban entertained with a tea at her home in honor of Mrs. Meredith.

**Old Fashioned Party**

Miss Lucille Sanders entertained the cast of the play “A Pair of Sixes” with an old-fashioned party at her home Friday night, Jan. 27. Candy making and other diversions occupied the time, making a most enjoyable party.

**Sorority Organized**

Mrs. Wendell T. Meredith returned on Feb. 1, for the formal installation of the Kappa Zetas into the National Junior College sorority of Eta Upsilon Gamma.

The new Eta Upsilon Gamma sorority of the Junior College held a formal banquet Feb. 2 in the dining room of Hotel Miami. The tables
were most attractively trimmed in “Gamma” and colors of green and gold. Place cards and flowers carried the colors artistically. Miss Virginia Jones was toast-mistress. A short program was given as follows: vocal solo, Mrs. John Robinson; reading, Miss Wilma Baugh; talk by the patroness of the sorority; and then an address by the Grand Organizer for the sorority, Mrs. Wendell T. Meredith.

BRIDGE PARTY

Miss Alma Lee London entertained Saturday night, Feb. 11, with an attractive bridge party in courtesy to Mrs. R. W. Skinner, patroness, and Miss Henrietta Moore, sponsor, of Sigma Iota Chi. The spacious London home formed a pretty setting for the arrangement of the gayly decorated bridge tables. The colors of the sorority are purple and gold and these colors were worked into the decorations in many clever ways. High score prize was won by Genevieve Tidwell and second high by Ruth Engelbrecht. The hostess served a delicious supper. Besides the honor guests those entertained were alumni and active members of the sorority.

STUNT NIGHT

“Stunt Night” in the College auditorium Monday night, Feb. 13, was an unqualified success. A program lasting about an hour and a half was given by the various school organizations. Some of the stunts showed marked originality and all were thoroughly enjoyed by the audience. “The Doll Shop” presented by Sigma Iota Chi sorority was declared winner by the judges.

GAMMA TEA

February 16 Miss Nellie Dobson, 106 A St., Southwest, entertained with a delightful tea for the Eta Upsilon Gamma Sorority and its patronesses.

PHI THETA KAPPA PLEDGE PARTY

Formal pledge services for the Phi Theta Kappa members-elect was held at the College, Feb. 23. Those whose scholastic standing made them eligible to the society were: Virginia Jones, Hazel Campbell, Erline Henning, Mary Wynne, Clarence Martin, Juanita Leonard, Gladys Lundy, Alta Rowley, Mariam Stevens, Myrtle Sprague, Helen Stinnett, Lola Records, James Tedrow and Pauline Holman. Clarence and Jimmie were gladly welcomed by Luther Goins, who was the only boy among the active members.

OPEN HOUSE

Tau Chapter of Sigma Iota Chi held open house Friday night, February 24, in their chapter room. About twenty-five guests, young men friends of the sorority, called during the evening bringing gifts which were received gratefully. Miss Helen Jane Reuter presided at the chafing dish. The affair was delightfully informal.

PHI THETA KAPPA INITIATION

The fourteen pledges of the Phi Theta Kappa took the pledge of full fellowship Feb. 28. All the old members look forward to the initiation parties with pleasure, as a general good time is enjoyed after the ceremony.
Ila May Myers of the Mu Chapter of N. E. O. J. C. attended Grand Council of Phi Theta Kappa held March 4th and 5th at Columbia, Mo. Ila May had the distinction of being the only out-of-state delegate to the Convention. She brought back to Mu Chapter much information as to what Phi Theta Kappa is doing in other Junior Colleges.

Rat Day

The Freshmen held their annual Rat Day program and picnic on March 23, 1928. All the rats assembled on the campus about eight o'clock. They spent the morning taking pictures and enjoying each new comer's costume.

At ten o'clock they gathered in the assembly for the program. First, the King and Queen of the day were crowned. The King, Walter Hopton, walked with stately tread to his costly throne of a folding chair. His kingly robes consisted of a pair of royal over-alls, which were practically new, although they were torn slightly about the legs; and a blue shirt, that was much the better for a little wear. He carried on his arm a slightly used raincoat, for though the sun was shining the King must be prepared for a rainy day.

At his side tripped his dainty queen, Alta Rowley. The most striking part of her queenly garments was her beautiful shoes, the very latest style. They were high of tops and very pointed at the toes.

Among the many wonderful numbers in honor of the King and Queen was the Lochinvar Act. Young Lochinvar was well played by Emerson Price. He rode a well groomed horse. He brandished, as he rode, a large broad sword, (which was a small knife). The blushing bride, Mara Barton, was most beautifully clad in the usual white garments of a bride. Instead of a bridal veil she wore a large hat ornamented with many flowers and a beautiful green bow. One of the attractive parts of her costume was a bright green parasol. It was somewhat split from old age but was still suitable for this bride to carry. The Bridegroom, Clarence Martin, who had lost a leg in one battle and an eye in another, was very sad over the loss of his bride. The bride's father, Jimmie Tedrow, was so very angry he beat the air and pulled his hair. Her mother, Gladys Lundy, tried to stop the young couple; but alas, they had mounted their steed and with a shout were gone.

One beautifully rendered musical number was by a mixed quartette composed of members from all towns represented in the class. The wonderful effect was almost spoiled because Miss Razz (Jennie) Berry always sang Ficher just a note too high.

We must not forget Murdock, the announcer. He added much spice and ginger to the program by his foolish, witty and catty remarks as he announced the performers.

After the program the Rats returned to the campus where Mr. Younger was waiting to take their pictures.

Then all found room in cars and started for the N. E. O. Camp. In spite of the fact that one or two cars lost the way all finally arrived there.

The first thing of course, was to eat. The dinner was grand and everyone entered into this part in the program very readily.

After dinner many enjoyable entertainments were started. Some danced; others played baseball or went canoeing. Two or more parties climbed the hills. One party, led by Murdock, explored the new house being built.

About four o'clock it was generally agreed to call it a day. Mr. Williams and Miss Vann herded their flock into cars and started them
Wiener Roast

A group of the young men of the college were hosts at a wiener roast Thursday night, March 29, at Hudson Creek. Guests were the Sigmas. The hosts were: Earl Ackley, Clarence Carselowey, Wayman Lee, Jimmy Wise, Clyde Moreland, Davis Mosby and Kenneth Lee.

Slumber Party

Miss Neva Lee Neff was hostess to members of Sigma Iota Chi at a jolly slumber party, Friday night, April 6. The third degree of initiation was given at midnight for Miss Miami Standefer, Miss Mary Wynne and Miss Maxine Martin. A delicious breakfast was served by the hostess.

Easter Breakfast

Characterized with charming home hospitality was the Easter breakfast given the members of Eta Upsilon Gamma sorority at the home of Mrs. A. Scott Thompson in Rockdale. Assistant hostesses were Miss Marian Willis, Miss Wilma Baugh, and Miss Nancy Rhoades. Suggestions of the Easter-tide prevailed in the decorations. Throughout the home large bowls of violets and peach blossoms were placed. The color scheme of purple and gold was carried out, one pretty item in this arrangement being the corsage of violets tied with gold ribbon given each guest. An inspirational talk on Easter was given by Mrs. Cameron. A bunny wrapped in purple and tied with gold was found by each guest in a treasure hunt.

Following the breakfast the girls, accompanied by their patronesses, Mrs. George Coleman, Mrs. Ralph Tuthill, Mrs. A. Scott Thompson, Mrs. M. Scott, Mrs. John Robinson and Mrs. H. B. Cobban, went to the S. P. I. class of the First Christian Church and morning worship at the South Methodist Church.

Surprise Party

The Psi chapter of the Gamma Sorority surprised Mr. and Mrs. M. R. Floyd with a house warming in their new home, April 13. A delightful hour of games and entertainment followed the fun of the surprise, and the evening closed with the serving of refreshments in two courses by the girls. As the climax of the evening the sorority presented Mr. and Mrs. Floyd with a gift for their new home.

One of the most delightful spring outings of the season was a steak fry held at the Robinson Country home, March 28. The food was "positively unsurpassable" as the boys said. The members and patronesses enjoyed this delightful outing.

Week-End Party

Mrs. E. J. Bigham and daughter, Eleanor, were hostesses at a week-end party, April 20, at the Bigham Ranch in the Ozarks. Guests were: Genevieve Tidwell, Helen Jane Reuter, Mary Wynne, Helen Stinnett, Kenneth Lee, Earl Ackley, John Rentz, Alma Lee London, Davis Mosby, Jimmy Wise, Clyde Moreland, Mr. and Mrs. Alderson Thompson.

College Entertains District Seniors

Seniors of the High Schools of N. E. O. were entertained by the faculty and students at the College, Friday night, May 4, 1928. A clever one act play under the direction of Miss Herrin occupied first place on
the program. In the indoor track meet the Commerce Seniors took five first places, winning the big (tin) loving cup. The remainder of the evening was spent in dancing to music from an orthophonic from Hoffman's. As usual, Miss Kelley occupied an important place on the program.

**Annual School Picnic**

How to be a College Man

Wear no garters.
Walk about with a dazed look in your eyes.
Bend forward to get that midnight oil effect.
Have something cute printed on the back of your slicker.
Watch the men about the campus and learn to use their captivating walk.
Wear a key.
Carry an empty pipe in your jaw.
Attend a college.

Esther—"So your family gave you a wrist watch when you entered college? What do you think they will give you when you graduate?"
Wayman—"Don't know. A grandfather's clock most likely."

Mr. DeFord (in Dumb Bell English, to Joe Henbest who has just said, "I ain't going today.")—"That is no way to talk. Listen, I am not going—you are not going—he is not going—we are not going—you are not going—they are not going. Do you get the idea?"
Joe H.—"You mean they ain't nobody going?"

Just a Little Advice to Murray

Say it with flowers
Say it with sweets
Say it with kisses
Say it with eats
Say it with jewelry
Say it with drink
But always be careful
Not to say it with ink
and (not to say anything about Joplin).

Moreland—"Did you ever allow a man to kiss you when you're out motoring with him?"
G. Tidwell—"Indeed not. If a man can drive safely while kissing me, he's not giving the kiss the attention it deserves."

Gone But Not Forgotten

The days of Freshmen's servitude to the superior Soph. (Poor Freshies of '29).
Willie's Studebaker.
Murdock's Humor. (Yes, he is quite serious these days).
The slap! slap!! of Bachman's lower extremities.

Erma Turner (to Miss Kelly in Home Ec.)—"Miss Kelly, it says here the water is drunk and the milk has been drunk, too."
Miss Kelly—"Well, what of this?"
Erma T.—"Well, this is the first time that I ever heard of water and milk being drunk."

Apologies from the Joke Editor

If Adam were to come back to earth, the only thing he would recognize would be the jokes.
Always hold your head up—but be careful to hold your nose on a friendly level.

Mr. Drake (to Don Campbell in Physics Lab.)—“Don, what are you looking for?”
Don C.—“Well, this experiment says ‘dip a steel wire in sulphur and ignite.’ I’ve found the sulphur and the wire, but I can’t find the ignite.”

Loretta—“Is Orr a good dancer?”
Helen Jane—“I couldn’t say—I’ve never sat one out with him.”

Why Professors Get Gray
These are some of the reasons:
The bluffer. The boy with the voice and the empty head. The fellow who took the course before. The sweet little co-ed who doesn’t know what it’s all about but who needs at least a “B” in the course. The silent bird who might have something worth while to say but who keeps this something hidden. The collegian who hasn’t read that far in the text and attempts to stage a filibuster and throw the class off the track. The deadly serious young radical who knows only that he’s radical. The equally serious young conservative who believes only what his grandfather believed. And the boy who is taking the course just for the credit. The sleepers don’t count unless they snore.
Two years of class discussions have given us sympathy for the professor; no wonder he gets gray.

HELPING A YOUNG BUSINESS MAN

A certain young man started in with a Bank Account. He kept it up; was a young man of steady and industrious habits and convinced his Bank that he would make good. The other day a splendid business opportunity came his way. He had almost enough in the Bank to take advantage of it and his Bank loaned him the balance. Why not start in to Bank here and establish a solid and substantial basis for credit when you need it? A number of prominent men carry accounts here.

THE SPIRIT OF PROGRESS

When Montgomery Ward erected the famous Tower Building on Michigan Boulevard in Chicago he placed on its top a fine bronze figure named, "THE SPIRIT OF PROGRESS". That bronze figure has become the spirit, the principle that imbues every worker in one of the largest and finest organizations in the world.

It is the emblem of our work for you. To progress in giving you better and still better service, in seeking to give you greater values and in having a definite part in the progress and growth of this prosperous community.

It is our earnest desire to merit your valued friendship and patronage, to serve you in the future and to carry on the principles laid down when Mr. Ward founded this great organization fifty six years ago.

All students of the Northeastern Oklahoma Junior College are cordially invited to consider this their store at all times.

THE SEVEN WONDERS OF THE WORLD
The girl who does not fill her boy friend's pockets with her compact, her lip
stick, comb, etc.
The wax clothing model that looks like a human being.
The car that any automobile salesman tries to sell you.
The man who puts up a one man top.
The girl who thinks that one arm driving is done only by people with one arm.
The bozo that tried to buy bootleg in a shoe store.
The Prof. that gets paid almost half as much as the football coach.

Digital copies of The Viking, Northeastern Oklahoma A&M College’s annual yearbook, are available in .pdf format on the NEO website for non-commercial purposes only. Scans were created using the best available editions; where stains, color-fading, and contributed marks (usually signatures) were visible on the original they also appear in the digital copy. The edge of some pages in oversized editions may be partially lost due to width limitations on the scanning bed. NEO yearbook editions that do not appear on the website are not part of the collection at present. If you would like to donate a yearbook, please contact the NEO Library.
