The 1979 Viking staff extends appreciation to those who have given complete cooperation in the development of this historical venture and wishes to give special thanks to the journalism staff for their extra effort and support. A special tribute is given to Mrs. Virginia Hare, a staff member who has graduated at mid-semester, for her unique contributions.
Digital copies of The Viking, Northeastern Oklahoma A&M College’s annual yearbook, are available in .pdf format on the NEO website for non-commercial purposes only. Scans were created using the best available editions; where stains, color-fading, and contributed marks (usually signatures) were visible on the original they also appear in the digital copy. The edge of some pages in oversized editions may be partially lost due to width limitations on the scanning bed. NEO yearbook editions that do not appear on the website are not part of the collection at present. If you would like to donate a yearbook, please contact the NEO Library.
