For nearly a century, our goal has been to be a leader in two-year education. Your decision to become a Norseman will be a source of pride and accomplishment for your entire life.

**WE WANT YOU TO SEE THE NEO DIFFERENCE:**

- Outstanding student support
- Low student-to-teacher ratio
- University feel on a two-year campus
- A variety of both liberal arts and workforce ready programs
- Affordable tuition
- Diverse student body
- Over 40 clubs and organizations
- Open admission

Whether you are just getting started or starting over, you can create your future with NEO!
Follow this checklist to be admitted to NEO A&M College:

**SCHEDULE A CAMPUS VISIT**
You, your family, and your friends will all get a chance to visit the NEO campus and take a tour. Tours are available by appointment Monday through Friday. Your guide will accompany you as you visit classes, instructors, coaches, and stop by residence halls, Admissions, the Center for Academic Success and Advisement, and Financial Aid.

**APPLY FOR ADMISSION**
Apply online through the Admissions webpage. Send your high school transcript or GED scores, immunization records, ACT scores if available, and any college transcripts to the Admissions office.

**APPLY FOR SCHOLARSHIPS**
Applications for academic and foundation scholarships for the fall semester are due by March 1. Visit neo.edu/fin-aid to see a list of available scholarships and to download scholarship applications.

**APPLY FOR FAFSA**
Visit the Financial Aid webpage and complete the financial aid application.

**APPLY FOR HOUSING**
Print your housing application off the Recruitment webpage and select your residence hall package. Submit your housing application with the refundable room deposit.
You shouldn’t have to spend your time worrying about how to pay for college. Our financial aid team is dedicated to helping make your time at NEO affordable, regardless of your financial background. We have a wide range of institution and foundation scholarships, student employment opportunities, and federal or state programs to ensure you can focus on creating your future!

**TYPES OF AID**

- Grants
- Scholarships
- Loans
- Workstudy
- State Aid
- Veterans Benefits

**APPLYING FOR AID**

The most important step in applying for financial aid is to fill out the Free Application for Federal Student Aid (FAFSA). The application can be found at [fafsa.ed.gov](http://fafsa.ed.gov)

Financial aid cannot be received until NEO receives and reviews your application.

*April 1* is the priority deadline for students planning on beginning or continuing enrollment for the following fall semester.

**NEO FAFSA CODE**

003160

For more financial aid information, visit [neo.edu/fin-aid](http://neo.edu/fin-aid)

In addition to academic scholarships, the NEO Foundation provides over 70 different scholarships, making your education even more affordable.

Foundation Scholarship application deadline is March 1

Detailed information about foundation scholarships can be found at [neo.edu/foundation/scholarships](http://neo.edu/foundation/scholarships)

For more financial aid information, visit [neo.edu/fin-aid](http://neo.edu/fin-aid)
Student Life
AT NEO A&M COLLEGE

Northeastern Oklahoma A&M College lies within Miami, Oklahoma. Home of nearly 15,000 people, students will feel comfortable in the tight-knit community with 11 parks, the scenic Neosho River, and historic Route 66. Miami also offers dozens of restaurants offering everything from burgers from Waylan’s Ku-Ku to gourmet options at Stonehill Grill. Students looking for an evening out can also visit the breathtaking Coleman Theatre “Beautiful” or enjoy the latest film at the Miami Cineplex.

CAMPUS/LIBRARY
Our two-floor campus Learning Resource Center offers everything you will need to do research, spend your free time, or receive tutoring. From books to computers and everything in between, you will have access to a full range of information media and services. You can also take advantage of our tutoring center and get help from professional tutors and advanced students. Help is never far away at NEO!

DORM LIFE
What do Facebook, Snapchat, and Google all have in common? They were all start-ups by college students sharing big ideas in their dorm! You don’t have to feel like you’re missing out on a “university experience” because our goal at NEO is to provide the feel of a four-year school in an affordable package.

Studies prove that students living on campus perform better academically and are more involved. NEO prides itself on being the largest residential two-year college in Oklahoma, and our halls offer more than just a place to sleep. There are numerous opportunities for leadership and involvement, activities, and many friends to be made!

In the residence halls and dining facility, students meet new friends and enjoy a wide variety of social, recreational and cultural activities. Residential and dining services strives to provide students with opportunities and programs to assist with their adjustment to the academic demands of college life.
STUDENT ORGANIZATIONS
With nearly 40 clubs and organizations on campus, students have the opportunity to share their passion.

ACADEMIC CLUBS AND HONOR SOCIETIES - NEO offers several academic clubs where you can apply the skills you have learned in class. From our Accounting Club to our award-winning Phi Beta Lambda Business Club, students can participate in skill-building exercises, trips, and activities. Regardless of your major, you can work together with people who share your interests. NEO is also home to one of the oldest chapters of the Phi Theta Kappa International Honor Society in the United States.

INTRAMURAL AND SPORT CLUBS - Whether you play for one of NEO’s sports teams or just love competition, NEO offers several intramural sports and sport clubs. From softball and flag football to bowling and table tennis, NEO intramurals take place during both spring and fall semesters.

STUDENT ACTIVITIES - Your options on campus don’t stop with clubs and organizations. NEO offers several free events each semester. Speakers, musicians, art exhibits, and more give every student the opportunity to have a true “big campus experience.”

RECREATION/SAC
At NEO, we are dedicated to creating well-rounded students. That means training your body as well as your mind. When you become a student at NEO, you have access to a full range of wellness resources. The NEO fitness center offers free weights and guided resistance training, as well as treadmills, bikes, and elliptical trainers. We also offer a core fitness room equipped with kettlebells, medicine balls, cycles, and rowing machines. Finally, NEO offers a 75-foot, six lane, short course competition swimming pool.

Is your perfect day spent outdoors? Do you have a passion for the natural world or working with animals? If so, the NEO A&M Agriculture Department is for you!

From wildland fire management to agribusiness, you will learn the skills you need to make a successful career in the agriculture field. Students get hands-on experience at the state-of-the-art Animal Science Teaching Facility, and a low student-to-teacher ratio means there is always an opportunity to have your questions answered and perfect your skills. NEO A&M’s Natural Resource Ecology & Management program also gives students the opportunity to earn their red card wildland fire certification.

NEO A&M Ag also offers several athletic and competition programs. Livestock judging, equine judging, equestrian, and a nationally recognized rodeo program offer students the opportunity to compete for NEO while earning valuable leadership and teamwork skills. Students can also compete for four years at NEO through the Missouri State Pathways program, which allows students to earn a bachelor’s degree from Missouri State while in residency at NEO.

Your career in agriculture is waiting. Get started today with NEO A&M College!

- Management Methods
- Agriculture Communication
- Wildland Fire Management

## Career Options

- Forestry Manager
- Resource Manager
- Agriculture Research Analyst
- Ranch Manager
- Agriculture Educator

“The Ag Department at NEO is more than just a program. The instructors are always available to provide one-on-one attention. Aggies are unlike any other group on campus. They become more like family than instructors, classmates, or team members.”

-- Augustus Anderson

Natural Resource Ecology & Management • 2015

“NEO Forestry is unique because not only does NEO offer students the opportunity to pursue an education in the natural resource field, but the college also gives students hands-on experience. One day we can be in the classroom learning and the next day we are out in the woods or in the state park.”

-- Breanna Barngrover

Natural Resource Ecology & Management • 2015
Do you follow market trends, the global economy, or want to start your own business?

At NEO A&M’s Department of Business and Technology, we have the degrees and certificates that will allow you to enter the workforce in as little as one year.

At NEO A&M, we will get you earning. Our graduates are employed by Eagle Picher, Umicore, Conoco-Phillips, American Airlines, and many more.

You can earn credentials in Accounting, Computer Science, Management/Marketing, and more. Our faculty are dedicated to your success, and they continuously review the curriculum to make sure you are learning the most innovative business strategies. If your goal is to complete a bachelor’s degree, NEO A&M offers programs and courses that will transfer seamlessly to our four-year partner schools.

In the NEO A&M Department of Business and Technology, we give you the training to start earning.

**Testimonial 1**

“Getting my college degree has always been a goal of mine. I put it off until my advisor contacted me, encouraged me to start back, and committed to helping me work out a class schedule that I could manage with a family and career.”

*Kristi McClain*

Dir. Economic Development & Strategic Planning, City of Miami • 2010

**Testimonial 2**

“Attending NEO helped establish a foundation that’s required to meet the demands of new developments in business, technology, economics, and management techniques. I started my career training with NEO and I am so happy with my decision!”

*Marcel Walther*

President, Security Bank • 1999
Are you a leader who loves to meet new people? Maybe music and rhythm are part of your daily soundtrack.

Our graduates not only receive a foundation of fundamental college courses, but also have a chance to create in a hands-on environment.

With a low student-to-teacher ratio, NEO students get more studio time, more stage time, and more performance time in modern facilities such as Kah-Ne Hall. Artists can master a range of mediums from cartoon art, to cinematography, to ceramics, while performing artists receive both onstage and backstage skills. English students have the freedom to explore several areas of communication as they earn credits towards a four-year transfer program. At NEO, graduates save money as they develop lifelong skills.

In the NEO A&M’s Department of Communication and Fine Arts, you can express your creativity from the page to the canvas to the stage.

“[Shanika Randolph](American Musical & Dramatics Academy, Los Angeles • 2009)

“The amazing faculty and staff at NEO’s theatre department taught me many useful skills that I use at the American Musical and Dramatics Academy. At NEO, I developed leadership skills that have already put me ahead of my classmates. I was able to get experience onstage and backstage, which made the transition much easier! I will always treasure my years at NEO.”

“[Whitney Ragsdale](INTEGRIS Baptist Regional Health Center • 2012)

“My English education at NEO has been incredibly important. My teachers taught me how to write papers correctly and that skill has played a major part in my goal of becoming a child support caseworker. The teachers pushed me to be my very best, and I am so grateful!”

Did you grow up wanting to be an astronaut, scientist, or architect? Maybe you love the satisfaction that comes with overseeing a large project. The NEO A&M Math and Science Department will get you started in a career that will not only earn a competitive starting salary, but also change the world!

For students planning a career in engineering, pharmacy, and many more, NEO offers transfer agreements with several institutions to ensure that your classes will transfer seamlessly. Our students enjoy small classes and one-on-one instruction in critical subjects, where they master fundamental skills.

Students wanting to enter the workforce get hands-on experience that will translate to the job site. Process technician starting pay ranges from $15–30 per hour and employees are in high demand! Close to one of the top 100 construction companies in the nation, construction management graduates develop a variety of skills to secure a lifelong career.

The Department of Math and Science at NEO has an option for everyone, so start creating your future today!

“I love the hands-on, challenging work. As a 20-year-old, I graduated from the Process Technology program and started out making $40,000 with no student loan debt, good benefits, and a chance to move up in my company. I also have the opportunity to move around the country or the world. NEO set me on the right path.”

- Lauren Lindsey
  Process Operator, Ceradyne • 2015

“I received a great start to my education at NEO. I wasn’t sure what I wanted to do and NEO allowed me to explore my options before I chose pre-med. After graduation, I continued my education and always felt that I was well-prepared for upper-division courses.”

- Joel Grigsby, MD
  Anesthesiology and Cardio-Thoracic Critical Care, KUMC • 1999

CAREER OPTIONS

- Chemical Plant Operator
- Power Plant Technician
- Construction Superintendent
- Biochemist
- Environmental Researcher
- Medical Professional
Have you always been interested in the health of the human body, the benefits of playing sports, or understanding diseases?

NEO Nursing, Allied Health, and Physical Education students have the opportunity to learn in hands-on, state-of-the-art skills laboratories that provide a low student-to-teacher ratio. NEO students can receive an associate degree in nursing, physical education, physical therapist assistant, and medical laboratory technician programs. Plus, students can take advantage of NEO’s transfer agreements to achieve a bachelor’s degree. In no time, NEO can help you create a future helping others!

NEO A&M’s Department of Nursing, Allied Health, & Physical Education helps you learn valuable skills that will get you started in one of the fastest growing job sectors in the United States.

- **Cecil Walker**
  Nurse, RN • 2012
Do you have an unending passion for learning or desire to improve your community? At NEO A&M’s Department of Social Sciences, you can learn valuable critical thinking and communication skills that will prepare you to serve your local community in many capacities.

NEO offers small class sizes, affordable tuition, and a variety of online classes. This means that whether you plan to enter the workforce or take advantage of NEO’s credit transfer agreements, you will have the opportunity to stand out at NEO and work one-on-one with faculty to perfect your communication skills.

Your education will allow you to create a career from some of the most fulfilling jobs. Protect your community as a police officer, serve local families as a social worker, or mold young minds as an educator.

**NEO has programs that will allow you to make civic engagement your life’s work!**

SCHEDULE A CAMPUS TOUR Today

Want to take a closer look at what life is like as a Golden Norseman? Book your campus tour today. On the tour, you’ll enjoy the following activities:

• Tour campus with one of our College Student Ambassadors
• Meet with an Admission Representative
• Eat Lunch in our College Café
• Talk to experts in your academic area of interest
• Tour Student Housing

To set up your tour, call 918-540-6291 or visit neo.edu/recruitment/campus-tour
