Who is Your Keeper?

"The more you do, the more you get," the old saying goes, and it is especially true for students. With college looming over your head, you may find yourself feeling overwhelmed.

Brotherhood does not just apply to religious and social groups, but to the entire student body as well. Everyone, regardless of their affiliation, is part of the H.S. community.

Nothing To Do?

"We don't have anything to do," the college's motto, is not true. There are still many exciting experiences available to you. You've just got to look for them.

There are a few things you can do to make the most of your time at college.

1. Explore the campus. Take a walk around the campus and get to know your way around.
2. Join a club. There are many clubs on campus that you can join, whether it's a sports team, a music group, or a study group.
3. Volunteer. There are many opportunities for volunteering on campus, whether it's helping out at the food pantry or volunteering at a local charity.
4. Take a class you're interested in. Don't just stick to your major, try something new.
5. Have fun. College is a time to have fun and make memories.
