Why do more college men and women smoke VICE ROYS than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. The only Viceroy has a filter composed of 20,000 filter traps. You cannot obtain the same filtering power in any other cigarette.

2. Viceroy’s filter is pure—no mineral or zinc content. This makes Viceroy far superior to any other filter cigarette.

3. The Viceroy filter was just whipped up and packed to match the new and advanced demand for filtered cigarettes. Viceroy’s filter research was done 20 years ago to create the purest filter.

4. Students and some reports that Viceroy has the best filter. Rich, cell-made, pure, and without taste.

5. Viceroy gives you a pure taste. What you expect a filter to be. Viceroy is a pure filter cigarette that does not have the taste or strength of other cigarettes without filters.

6. That’s why more college men and women smoke VICE ROYS than any other filter cigarette — that’s why VICEROY is the largest-selling filter cigarette in the world!
Highlights of 'Girl Crazy'

Tomorrow's the big day. At last, the first performance of "Girl Crazy." The audience in this musical comedy was put out of time and effort, as well as at its best in this production, and from all points of view, it looks as if they have a great show to the making.
