Stop, Think—Give Thanks

Once again that time has arrived annual, that particular moment comes when the nation is a day of thanksgiving. Americans call Thanksgiving.

Our people have failed to grasp the true meaning of the day. It is a day to express gratitude for all the blessings we have. To be thankful for the food we eat, the shelter we have, and the freedom we enjoy.

On this day, we are reminded of the importance of giving thanks and appreciating what we have.

This year, let us all remember to thank our loved ones and all the things we are grateful for.
