Q. Why Are Viceroy's 20,000 FILTERS Made From Pure Cellulose?

A. Because cellulose is a soft, snow-white material... the same pure, natural substance found in many of the good foods you eat every day.

Only the exclusive Viceroy tip contains 20,000 tiny filters made from pure cellulose — soft, snow-white, natural — twice as many filters as the other two largest-selling filter brands.

Meet the Norsemen
By RICHARD HALL
and TOM WITHERS

The football season is on its way and Norsemen fans and the Norsemen themselves are ready for the season. The Norsemen have been practicing for several weeks and are in good shape. The Norsemen will play their first home game on September 19th against the University of Michigan. The Norsemen are expected to lose this game, but they hope to improve in the following games.

Sculpture

The Norsemen have a new sculpture in front of the Norsemen Stadium. The sculpture is a representation of Norsemen football players in action. The sculpture is made of bronze and is 12 feet tall. It is located on the north side of the stadium.
