Mixed Chorus To Have New Look This Year
Northeastern's A&M mixed chorus will have a new look this year when they begin their perfor-
menances.

The college has bought the young ladies new black costumes and dramatic dresses and will wear them with their performances.

For that unique look throughout the chorus the men will wear their own black and white phar-
ners while performing.

This year the chorus consists of 6 members.

The group is well balanced throughout the various classes and is a real good group, accord-
ging to Kenneth Richards, director. The chorus has been practicing selections from various through-
tunes and will begin performing before the public.

Final Loan Forms Needed by Office
Mildred Carter, director of the financial office, has again request-
ed that all students file final forms for the National Student Loans immediately.

The forms must be processed before they are available to the stu-

dents for use. If students have not made the appropriate application, they should get forms NDEA 33-33 from Dean Davis, the office will be glad to help.

Another request of the financial office is a list of total enroll-
ment numbers of all students working on the school payroll. Employees cannot be paid until their number is on file.

The Hornets' quarterback, a senior, passed for two touchdowns and ran for another.

Northern Here for Homecoming; Norsemen Down Murray, Wichita

Norse Defense In Top Form Against Foes

Northeastern A&M’s Golden Norsemen took a giant stride toward the Oklahoma Junior College championship and another outstanding season with a 34-6 victory over Murray in the opening quarter and held Wichita State to gain only one touchdown over the Northeastern 6-yard line.

By shooting out the Wichita defense as they have done in two straight contests with the opposing team, the Norse secured the title. It has also allowed the Norse in two straight games to win against a single opponent.

In the Wichita contest, played last Saturday night, the Norse opened up scores to lead 20-0 at halftime and lead 14-0 at the end of the second quarter, 28-0. The Norse scored with 3:24 left in the first quarter and quarterback Curley Hart kicked the extra point to start the Norse with the victory.

The Norsemen came within a foot of another score in the second quarter as halfback Paul Payne picked up 20 yards on a 2-yard drive that followed the recovery of a Wichita fumble by backfield John Keene. The drive ended however when Payne fumbled the ball as he attempted to cross the goal.

Highlighting the contest was the strong defensive play of the Norse team. Tackle, Larry Babson, halfback Ellis and Dave Merrett kept the middle well defended while the Norse defensive counter kept the Wichita club to only three pass completions for a total of 33 yards.

The Norse took advantage of a short Wichita punt to set up their last tally. A two-yard pass gave the Norse club the lead on the Wichita 20-yard line and it took only two plays for the Norse. A 20-yard pass from Hart to end Dennis Pimentel set up Curley’s eighth-yard touchdown.

In the conference tilt with Murray two weeks ago, the Norse never gave the Aggies a chance as quarterback Curley Hart hit halfback Bob Brown on a pass play that covered 36 yards and the Norse took the lead. Hart then added the extra points and the Norse held on only 1-14.

Murray had a chance to score when the Norse fumbled late in the game when they missed a field goal. The Norse came back to score after blocking a Murray punt. They scored followed by the punt and followed by a punt followed by a punt and followed by the Norse lead 34-6.

Norse Need Victory In Homecoming Contest

When Red Robertson’s Golden Norsemen take the field Saturday night for their homecoming game against the Northwestern Mavericks, they will be trying to uphold one of the finest records ever compiled by a modern grid team in the past fifteen years.

After beating the Haskell Indians, 13-0, in 1961, the Norse have lost only one homecoming contest, and that by a score of 13-12 to the Cameron Aggies. In these homecoming games the Golden Norse have only twice been held to less than 30 points, while allowing their opponents to score three times only as three occasions.

Northern, opponents for Saturday’s homecoming game, has a good, quick running back and quarterback to create a problem for the Norsemen defense. But the Norsemen have outscored the Mavericks 18-0 in the last two games in 1961-62.

If the contest holds up to expectations the Norsemen should have a real thriller on Saturday night with the winner in the driver’s seat for an outstanding year.

Following the contest between Northern and the Norse will host Cameron Regional on Robertson Field Friday, October 28 in their last conference game of the year.
