A Courtin' We Go

NEO Tournament Begins 'Basketball'

BY WAYNE E. BISHOP

Dress rehearsals have begun for "Basketball," an action-packed production directed by Max Buzzard and opening November 28 in the Miami Civic Center.

Tours of the opulent setting will be members of the elite, high-scoring, basketball team as they compete for the season's first championship. The 1981 NEO tournament. Outside, performances are expected to be given by Kansas State College and the University of Kentucky.

CHAMPIONS RETURN

Defending tournament champions are the Coffeyville Red Ravens, who still boast much of the power they displayed last year. The team faces a formidable opponent in the form of the Marshall Thundering Herd, who have won two of the last three NEO championships. The Thundering Herd will be looking to make it three in a row.

The game will be held at the Marshall Thundering Herd Arena, 700 S. Market St., Marshall, W. Va. The game will start at 7:30 p.m. The Admission price is $5.00 for adults and $2.50 for students. A special section for NEO college students and employees will be held in the student section.

ATTENTION STUDENTS

This event is to draw a record crowd.

SPECIAL ANNOUNCEMENT

The NEO College Basketball Tournament will be held at the Marshall Thundering Herd Arena, 700 S. Market St., Marshall, W. Va. The game will start at 7:30 p.m. The Admission price is $5.00 for adults and $2.50 for students. A special section for NEO college students and employees will be held in the student section.

THE END
A perfect place for football, Northeastern A&M. with a winning record of 2-3, was swept up in the Oklahoma Juniors conference. The Juniors scored more points this season (221) than any team that has played under Rod Robertson since he came to N.E.O. Groves scored 135 points, the most scored against any Robertson team. This game gave the Juniors a margin of 23 points. When the Juniors won, they won with room to spare; when they lost, it was close. The three times were at the hands of Arkansas City, 36-9; Grand Rapids, Mich., 187; and of course, Carmona, 36-7. In the two games, Groves was the games with Eastern, 36-7; Baltimore, 36-7; Murray, 36-7; Wichita, 36-7, and Coffeyville, 36-7.

On the Carmona game the Juniors made one of the best efforts that has been made by any Robertson team. It was said at the time that Groves was the best game that many of the spectators had ever seen. Carmona had some fences that also meted to the best one. As the game was for the area championship, the Juniors had every chance to be the best. The Juniors were beaten. However, the Juniors came out to even the field and gave the fans a perfect place for football.

The game from a player's standpoint was rough. All the backs were making for that extra inch. The headquarters had no problems passing someone to block — all they had to do was use a couple of players and some opponent would come after him. The backfield had to work to keep from getting their hands knocked off. The way battling up during the whole night was when the players were getting off a play after the whistle had blown. These were very fast duty tactics used in the game. There would probably have been a big extra, because players on both teams were trying to get the best possible form. When one is concentrating on this, he doesn't have much time for kicking, punting, or passing. In a way, the ball was used as a weapon as a few laps contributed to the battle and some opponent would come after him. The ball was used to keep from getting their hands knocked off.

There were a few questionable plays in the game. Some people believe that one Pass was made to catch a kickoff in the end zone. This kick gave the Juniors a lead, and then made good a run back, resulting in a touchdown. The referee called it a kickoff gone out of the end zone, which was ruled as a kickoff out of the kickoff line, and play was begun from there. Also, there was a questionable call of a Carmona pass that was ruled down on kick-off. Some people believe that this play was ruled down on kick-off. Some believe that the ball went out of the end zone. The officials made a point to stay away from the officials, but for a question of any still unhappy complaint.

The game was expected to be close, the Juniors had won last year's game at a 36-7 margin. Carmona, the Juniors, had the ball on the 36 yard line. The Juniors, who were leading by 13-7, were able to carry the ball to the Carmona 5 yard line. The Juniors scored a touchdown on the 5 yard line, giving them a 26-7 lead. Carmona then scored a touchdown on the 7 yard line, bringing the score to 26-13. The Juniors were unable to score again, and Carmona put the game out of reach with a 10-0 lead. The Juniors were defeated by Carmona, 26-13.
Bowl Hopes Go

Norse Beaten By Cameron

In Wild, Homecoming Game

The Norsemen's first-half defensive strategy in Saturday's game against Cameron was to neutralize the Aggies' running game. They succeeded in limiting the Aggies' rushing to just 60 yards in the first half. The Norsemen responded with 140 yards of their own, including a 30-yard touchdown run by fullback Joe Davis. The Norsemen led 7-0 at halftime.

In the second half, the Aggies came out swinging, scoring 14 points in the third quarter. Norsemen quarterback Joe Davis was intercepted by Aggie defensive back Jimmy Smith, who returned the ball 40 yards for a touchdown. The Aggies took the lead 14-7.

The Norsemen scored with just over two minutes left in the game on a 14-yard touchdown pass from Davis to wide receiver Bob Johnson. The Norsemen's defense held the Aggies to just one more field goal, and the Norsemen won the game 17-14.

The Norsemen's victory against the Aggies was their first since 1969. Head coach Harry Jackson said, "It was a great day for Norse football. Our defense played well, and our offense was able to score some big plays. We had a great team effort today."
Academic probation—this is one of the terms which students have during the school year. And yet there are no more students who actually know what this and other such terms mean.

If a student at Northeastern A&M fails to maintain a grade average of 3.5 for any semester, he is automatically placed on academic probation. The requirement may differ at various colleges, but nearly always be above this.

If placed on probation the student has a note placed on his transcript to that effect. He may attend the same school the following semester, and will be removed from probation upon making the required grade average. If his academic achievement is not adequately improved, he is dropped from school on academic dismissal. He may not re-enter another college for at least one year.

Disciplinary problems are handled in a large number of ways by Northeastern. The group of five individuals is set up to eliminate the difficulty in the handling of student problems without putting the responsibility of judgment on one or two people.

A student is placed on disciplinary probation where the violation school rules on various activities. The disciplinary committee will pass judgment on the student and, if found guilty, a note is to be placed on his transcript.

Throughout the remainder of his college days the student must not be found guilty of any other violations. If he does get into trouble again before the end of the year in which he was put on probation, he will be automatically dropped from the college.

KANSAS BRAWL

From Arkansas City Tiger Tales

These recent football games in Arkansas City and Kansas have brought strange situations to the junior varsity teams.

What did those prove? Did they change the score? They proved one thing—you can put your kids in line without losing a goal line at a time. But I believe I said it is a fact and I believe I said it is a fact.

Teenagers and business-minded officials held the thing together. It is a fact that the final game was a fact and that the final game was a fact.

When Peterson arrived with his team, I can only imagine what might have happened had we not been there before.

The nature of the game can be seen in the following block.

Basic position of football is that the offensive lines are now in an advanced position. The offensive lines have advanced and the offensive line is now in an advanced position. The offensive line is now in an advanced position. The offensive line is now in an advanced position.

The awakened Irranians were not aware of this change in policy toward their society. The development of their society has been a barrier.

Hushang Komaly, a student from Northeastern A&M, said this fact is as follows:

"Irranians are aware of this change in policy toward their society. The development of their society has been a barrier."

When hunger and starvation have weakened a nation, it is easier for Communists to maneuver than by nature of purgatory, it is one too late.

The awakened Irranians were not aware of this change in policy toward their society. The development of their society has been a barrier.
