Golden Norse Survive Fourth To Outlast Revamped Raiders

By Rick Robinson

After winning a Spartan boost with just over two minutes left in the third quarter, the Golden Norsemen survived a Spartan surge by the Grand Street Raiders to defeat the Michigan team, 60-54, at Robertson Field Oct. 1.

Contested for nearly three quarters by a feisty Norse defense, the revamped Raiders pushed their way to an initial touchdown with 2:00 remaining in the third quarter on a 12-yard pass from Q.B. Bob Phillips to end Jim Warner. Before the almost third fourth quarter had ended, Phillips had run for a TD and passed for two more before freshman De Cooper intercepted a Raider pass on the Norse 34 to bail the Raider's last bid for a game-winning score.

Claiming an eight-play, 80-yard drive, the Norsemen scored first at Q.B Haroud Peacock punched it 8 yards to end David Jackson. Wayne Cobley's extra point gave the Norse a 7-0 advantage.

The Norse appeared to break the game wide open by chalking up 14 tackles in the second period, two of the points coming when defensive end Bill Herbert knocked a Grand Rapid's punt on the onside for a safety.

After driving 49 yards, Peacock took it in and was tackled by B. H. and Dave Anderson with 4:40 left in the first half. Cobley's extra point gave the Norse a 14-0 lead. The Spartan march was set up by Doug Mathews' 54-yard punt return. After once again containing the Raiders behind the midfield stripe, NSO launched an all drive, culminated by fullback Al Gonzalez's 6-yard plunge with 33 seconds left in the first half.

Halfback Matthews wound the last decisive Norse TD by chalking 16 yards over right tackle with 2:30 left in the third quarter. Highlights of the final drive included excellent faking and blocking by Peacock. Cobley kicked his fourth conversion for a perfect night to add the 30th point.
Horsesmen Steal Fifth Victory; Hit Southern Trail to Marion

Anchored by John Poll's five interceptions and another breaking ground attack, Northeastern A&M ousted the Cowmen's Aggies 34-7, in an Oct. 31 en- counter at Muskogee's Indian Bowl. Poll, a freshman from Pab- lano, Okla., also broke a blowout for 58 yards and a touch- down early in the fourth quarter. He squirmed his interception by grabbing a Cowman's aerial at the three-yard line and racing it to midfield as the game ended.

Although the Norse offensive rolled up over 40 points for the fourth time this season, once again it was a听着防守性 performance which kept the Aggies bottled up throughout the contest.

The defensive charge, led by freshmen Jerry Greco and David Manno, limited Cowman to 26 yards rushing for the game.

The Norse scoring parade was initiated when QB Harold Pea- cock plunked one yard with 1:40 left in the first quarter. Wayne Cylinder's conversion provided the Norse with a 7-0 advantage, a lead that was never threatened.

With 10:54 remaining in the half, PB Al Comarag, the team's leading scorer, slaved eight yards for the second Norse score, and with Cylinder converting again, the Norse led 14-0. Poll's interception in the second Norse touchdown march, which was capped by Peacock's four-yarder to end Al Comarag's scoring account, was the extra point.

Peacock teamed with red Don Gunther for six yards and a TD to increase the inescapable lead to 21-0 at the half.

The Norse attack bogged down somewhat in the third quarter as the only scoring action came on a Peacock-to-Si- mons pass, good for five yards. Cylinder's PAT attempt was thwarted.

The fourth and final period furnished the small turnsur; more scoring action on Cowman.
