The college president listed areas in which he felt the Senate should be a part of the overall educational experience. He felt the Senate should concern itself with the living part of this environment, that is, the students living on campus.

The Senate should become involved with the care and upgrading of physical facilities, according to Mr. Creech, as he discussed the different types of funding and the proper manner on our facilities.

Other suggestions were to take an active role in the care of buildings and facilities, improve the educational program, counselling services, job placement programs, encouraging attendance to activities, and NEO's transfer program.

Dr. Creech assured the Senate that he would be willing to help on any project that it may choose to undertake and added to representatives that individuals that, "My door is open.

When asked what power the Student Senate possessed, he answered that it could recommend just like any other organization or individual on campus because it was only the power of the Board of Regents to make decisions.

Ex-Addict Speaks On Drug Abuse

Monday, Oct. 18 at 7 p.m.
the Experimental Theatre, Chi Alpha was pleased to present Reviving Bill Rigby, Director and Founder of Oklahoma City Teen Challenge.

Teen Challenge was born in Oklahoma City five months after Rigby gave up the use of drugs and accepted Christ as his Saviour. Then with a group of young people and his wife, who was a former drug addict, started working in the streets of Oklahoma City, making contacts with drug addicts, teenagers, gangs, and troubled youth.

Teen Challenge is a non-profit organization dedicated to reach and rehabilitate teen gangs, drug addicts, and troubled young people. They put Christianity into action by feeding, housing, and clothing the destitute as well as counseling on a 24-hour basis.

A few years later, located in Oklahoma City, serves this purpose.

Evening Arts Class Proves Highly Popular

A painting class instructed by Mrs. Karin Page runs every Thursday night in the Fine Arts Building.

Although the class officially starts at seven p.m., people are usually present as early as 6:30, and often stay beyond 8 p.m. when the class is supposed to end.

This semester’s members include a variety of group-housewives, a junior high school student, a game ranger, a business woman, high school and grade school teachers as well as a retired teacher, and a curator of a museum specializing in war relics.

Some come for credit, others for fun. Certainly they are “ringer heavers”—nearly for class, late to leave.

Wooley Powers Blue and Gold Norse Past Drake Freshmen 53-18 Oct. 23

By James Ellis

As time draws short in a last ditch effort to get back into the post-season bowl picture, the Norse took out their frustrations on the Drake freshmen, 10-25 Oct. 23 at Robertson Field.

The score was tied 64 late in the first quarter but MEO dropped on the goal line to power to a 33-7 halftime and a 23-7 third quarter lead.

The first Norse drive was stalled by a pass interception, the second possession found Dave Wooley scoring on a one yard plunge. The play covered 40 yards from six plays, with the Norse again running from the powerful Wallen T.

Wooley paced the point production with four touchdowns and 111 yards on 10 carries. Besides the first Norse score, he added runs of 30, one, and two.

Dwight Sehon scored twice, first on a 35-yard pass from Jake Palmer and then on a 30-yard pass from Chuck Taylor. Tom Ryan added six points on a 30-yard TD kick.

Phi Theta Kappa Honors Top Ten

Phi Theta Kappa has released the following list of students eligible for membership in the organization, according to Mrs. Doris Bums, sponsor of the local Mu chapter. Prospective members are solicited from the top ten percent of students currently enrolled. They must have a cumulative grade point high enough to justify selection, must be of high moral character, and must maintain an average of "B" or better.

Names will be held in the Little Theatre during the fall and spring of November. Initiation will be held in Elks Lodge to be paid to Mrs. Bums in room 300 Fine Arts Building before the ceremony. Initiation ceremonies will serve to notify the various organizations. The public is invited to attend.

Any student feels that his name should be considered for membership, he should see Mrs. Bums about his qualifications. All information and letters be held in his possession by a student representative to the organization.

Bowman Predicts “Exciting Game” Against Fairbury

The homecoming game Saturday night with Fairbury, Neb., should be much more exciting than the 46-6 Norse victory last season.

This year Fairbury has not been defeated since their opener when they were knocked off by Butler County, Kan. Coach Cook expects them to have a very fine team based on the fact that they upset Garden City Kans. Garden City was rated Number 2 behind Ft. Scott in the junior college conference.

Fairbury has also beaten the Drake freshmen team. Bowman said he expects a “real fine” homecoming game.

Iowa Frosh Embarrass Norsemen

Golden Norsemen’s dim hopes to finish as the number one JUCO football team were jolted as Iowa State Little Cyclones didn’t live up to their name and blew out the Norse, 40 to 12, Oct. 27, at Ames, Iowa.

The afternoon was to be a frustrating time for the Norse as they were first shocked by Jim Wingardner’s 80-yard return of the opening kickoff for a touchdown and an early 7-0 lead. That lead was to be short lived as JED marched in to a TD on 12 plays to cover 61 yards. Chuck Taylor’s six-yard run on tackle capped the drive.

The Norsemen could not hit paydirt again until the fourth quarter on a six-yard run by Dave Wesley with 1:46 left in the game. A pass for two extra points sailed.

The rest of the game was all JED. The Little Cyclones’ ground attack included a 45-yard run by Rod Clark, QB Herb Schilke to Ferry Smith for 45 yards; Todd Nelson went in from the seven; and Wingardner added two more, on runs of 14 and 18 yards.

JED QBs Noah Palmer and Chuck Taylor were continually harassed by the Cyclones defense. The only bright spot in the whole day was Wesley getting 297 yards rushing on 22 carries.

The Norsewind – the NEO A&M College Newspaper

Digital copies of The Norsewind, Northeastern Oklahoma A&M College’s student newspaper, are available in .pdf format on the NEO website for non-commercial purposes only. Scans were created using the best available editions through the assistance of the Oklahoma Higher Education Historical Society from microfilmed images. Where stains, color-fading, contributed marks or ripped pages were visible on the original, they also appear in the digital copy. NEO newspaper editions that do not appear on the website are not part of the collection at present. If you would like to donate a missing, damaged or incomplete copy of The Norsewind, please contact the NEO Library.
