Editorial: 'Memories'

All good things must come to an end. This 1972-73 school year has been one to remember. It holds a lot of memories.

This poem by NEO coed Peggy Fisher describes, I'm sure, how most NEO students are feeling about this time.

BITES AND PIECES

By Peggy Fisher

Bites and pieces of a part of your life was so great.
Nothing left now but the memories of the times you thought which would never end—but did.

Butties raids, showing cream eights, long talks in your room, staying up late.
Laughing, crying faces, seeing the phone, crash diets that never worked, and even finding valentine on the toilet lid.

The halls are alive with running and yelling; the rooms are alive with music and laughter.

The campus is filled with kids rushing to classes; their arms full of books.

But it’s over now, and all that’s left are empty rooms and halls that we all

There are a few hobby barns in the drawers, and pieces of masking tape still stuck to the walls.

The boy you liked a lot, you had to say goodbye to on graduation night.

He said, “It was fun while it lasted, but it’s over now,” and you know—be right.

Your car is packed and you’re ready to go, but you turn and take one last look around, at the college where dreams was not just a word, but something you and your friends really found.

Bites and pieces of your life was so great.
Nothing left now but the memories of the times you thought would never end—but did.

Short Story Maker

National Magazine

What started as a simple assignment in Freshman English class ended up in a national magazine for Lester Whitney, Northeastern A&M freshman from Broken Arrow. Whitney

A short story on two harrowing episodes in Whitney's life was published in the April issue of Full Cry, a monthly designed for the coin bored and true hunting enthusiasts of the nation. Full Cry has had a tradition of re-publishing stories in the magazine after they have passed the short story form. Whitney was selected for some of them might and their efforts to a magazine to see if they were accepted. Whitney's story entitled "Save Him For Feed" made the grade both on the short story form and in the market.

Freshman Receive Achievement Award

James Meadows, Miami freshman, was named recipient of the traditional Chemistry Achievement Award at NEO this year. Presented by the Chemical Rubber Company, the honor also carries a complimentary copy of the 11th Edition "CRC Handbook of Chemistry and Physics."

The award was presented for 35 years of encouragement and support of science. Meadows was chosen by chemistry instructors John Slini, Ray Hawkins and Kimberly Berg.

Summer Enrollment Procedure Revealed

Enrollment for students planning to attend Summer School will be June 4 in the Library Administration Building. The procedure is simple. First, pick up enrollment packets in the Registrar's Office. Second, see an advisor to help make out the enrollment form. Third, have the summer school enrollment card in Charles Angle, Dean of Instruction's office. Be sure to pay fees on or before Monday, June 4.

Students may enroll in as many as nine credit hours during the summer, which will help lighten the load during the fall semester. Classwork begins June 5 and continues until July 27.

The College Registrar will be open during the first week of the summer session and books can be purchased only that week. Limited housing will be available for students wishing to live on campus.

Tuition is the same as that in the regular session. In addition, $3.00 per credit hour outside state is $5.00 per credit hour.

All courses must be taken for a grade and will be given during the summer term. For further information call 342-4824 Ext. 342 and Ext. 360.

NEO Costume Director Assigned Job In Tsa-La-Gi Amphitheatre

Director, actress, technical advisor...all background items of Maria Nicola, usually found behind the sewing machine in NEO's costume department. Maria's newest feature accomplishment is her assignment as costume mistress in the upcoming "Trail of Tears Drama" in the Tsa-La-Gi amphitheatre at Tahlequah this summer.

The costumes that are to be made will undergo the long, hard struggle of rebuilding and creating to make them whole and complete, and not only costumes from scratch.

Working with "The Trail of Tears" is beginning to develop into a sort of family affair for Maria, as her sister, Marcelle will be portraying one of the Indian roles in the dramatic version of the Cherokee taking the Oklahoma wilderness.

But Maria's talents do not only involve the的成本 aspects of the theater. While living in China she directed "Our Town" and various Chinese plays.

"We make everything. We use coffee cans to make things for the lights and old clothes are immediately turned into costumes," reminisces Maria as she speaks of her technical experiences in China.

Many may remember her astounding dramatic performance in NEO's, "The Bad Seed."

She may not safely be seen in every organization at NEO, but one can bet she's behind every one of them. When the auditions' mouths drop open from admiration of the costumes, remember Maria Nicola.

Norse Split Doubleheader With CJC

Coach Bob Maxwell's Golden Norse baseballers split a doubleheader Wednesday, April 18, with Claremore Junior College, winning the first 4-3 while dropping the nightcap 5-4. The second game went down to the ninth inning when the score was tied 1-1 after the regulation seven innings.

Darrell Hard got credit for the win in the first game after retiring center fielder Ed Edwards in the fifth inning, although he needed additional help from reliever Dick Miller in the sixth Jack Parham was the catcher.

Dick Sheffield picked up a sixth inning homer to give the Norse the margin of victory. Parham, who had doubled it, was driven in by George Bridge, center fielder, Roger Reeves and Bob Washington.

NED 8, NJC 4

The Norse outhit Claremore 12 to 4 in the nightcap, but were bested 1-0 on the scoreboard although it took eleven innings to settle the difference. Starter John Gilbert was relieved in the seventh by William Safford, who was relieved in the seventh by Kizer.

CJC's Wiles received credit for the win after he relieved starting pitcher Redding in the seventh. Game was their season opener.

Pacing the Norse attack was Ken Collins with 2 for 2. Other Norsemen getting into the hit column were base runner Chester, Reeves and Otto Smith. Norse pitching limited the hosts to four base hits.

NED 9, NJC 0

Extra Innings Prove Fatal To Baseballers

The baseball season for Coach Bob Maxwell's old Norsemen closed after they were defeated 1-3 by Atlantic in the opening round of the sub-regional baseball tournament played at Muskogee.

The Norse, playing April 19, took 12 post-innings to settle the difference, with the Atlantic team scoring twice in their half of the inning. The game originally had been scheduled for Thursday but had weather forced the postponement after the Norse held a 1-0 lead after only one inning. When the two teams were able to play, the Norse was tied 1-1 after the regulation seven innings. NED took the lead in the top of the ninth but were unable to hold on as Atlantic scored twice in their half of the inning.

Starting pitcher Kevin McCoy was lifted in the ninth inning after Atlantic had scored twice. Most of Clairemore's game was worked by the rest of the games and near the end, Jack Parham, caught the soggy Browns in the ninth inning. Parham was the only man in the game.

Marathon Dive Proves Safety Underwater

NEDuko's divers spent 16 hours under water in the college pool Monday, April 18 to publicize the sport as safe and highly enjoyable.

Prior students began the marathon stay under water at 4 p.m. Their activities included eating, sleeping, playing chess and various card games, deep fog and tag. Participants included Nicholas Koep, Lynedl; Vie. Pet Robertson, Sand Springs; Terry White, Grove and Bushman Douglas Cameron, En- port, Pa.

Supervisor Included Jim D. Murphy, Miami diving instructor, who is professional advisor for the club; and Ed Lawrey, mathematics instructor at NED who is faculty advisor.

Miller, who is president of the Kenton Dangers on campus, explained that the purpose of the marathon was to demonstrate that when proper precautions are taken diving is a safe and enjoyable pastime even in cases of lengthy ex- pulsions.

Intramural Sports

Scene Intramural sports are coming to a conclusion, with the champions being crowned in the softball, here-and-gone, and archery competitions. Coach Arnold defined Dana Book for the win in the archery tournament. In the archery competition, John Pope took first, Dan Denham second, Darrell Lawrence third, and Gary Callahan fourth.

The softball championship was played Wednesday afternoon in a single elimination playoff. The bracket for the competition was Monday: 1-3 Dyer 3 vs Harrell 2 4-11 Harrell 4 vs Cameron 0 Tuesday: 3-10 Rock Hill 1 vs Rawls 2 4-11 Winner game No 1 vs Vett's Club Wednesday: 11 winner game No 2 vs loser game No 2 4-13 Winsor winner game No 4 vs loser game No 4

The intramural program for next semester tentatively is set up similar to the arrangement of his year. There will be a month of fall softball with touch football beginning Oct. 1. Coach Bill Collins has plans for the program next year.

Golfers Finish Third In Regional

The Southeastern Trojans broke a first round tie with UC Southern in April 19 to take the NCAA Region II golf tournament, at the Elks Country Club in Muskogee. Coach Al Mofitt and his Norsemen finished in third, nine strokes behind.

Paced by individual champ Ron Haugan, the Trojans have earned a trip to the NCAA national tournament in Beachwood, N. M., June 14. NED took the reg- ional tournament the past two years.

Grouped in second place with three other golfers was Norman's Jim Williams, who shot 76 for 36 gross total of 114. Lee White, in the first 18, finished in a tie for ninth with 82-10-3.2. The second round was a big win for the Norsemen, who made 100 under par on the course.

Wardak was second in the tourney after standings with 110, NED third with 114, Northwestern South Dakotas fourth and Claremore fifth at 134.

Twenty-two Indicate Intention To Play Ball For NEO Next Year

Coach Roby Berry announces 22 outstanding footballers have indicated their intentions of participating in grid work at Northern A&M this August prior to beginning of classes at the Miami campus.

With hope for a national championship for the 1973 Golden Norsemen, Berry indicated the incoming freshmen prospects should significantly add to squad strengths of over 35 returns from the 1972 team of last year. Included in the early recruits are 15 Oklahoma high school seniors, one of whom is Mike Wyant, all-stater from Granfield, standing 6'3, weighing 215 pounds. The big tackle was named all-district and all-state. Others include Bob Craig, 6, 180 center, named first-team for Tahlequah; Ray Boren, 6, 180 fullback, and Insetti of Ponca City, 6, 180, who was named alternate all-district and all-state for coupling at Ponca City.

Coach Berry, in his post-season report, states: "The team is growing stronger as was evidenced by the tryout of new players who have indicated their intentions of playing in the 1973 season." He also stated: "The Golden Norsemen will be a force to be reckoned with next year." The Norsemen are expected to have a strong team next year, with many returning players and some outstanding freshmen prospects.

Baseballers Thumped By Bacone Twice In Twinbill

The Golden Norsemen baseballers were on the short end of the stick twice as the Bacone Warriors, led by B. W. Coates, clobbered the Norsemen 21-10 and 16-2 in a doubleheader on the NEO diamond. April 14. The first game took ten innings to settle the difference.

A bizarre single by pinch-hitter J. E. Lester drove in the winning run in the first game. Lester, the Norsemen's leading junior college hitter, batted the seventh with a double. Cano, who had the only other Norse hit in the game, batted the seventh with a single.

Former Norse Coach Elevated

Dave Romans, former NEO track coach and assistant football coach, has been named head football coach at McPherson College in McPherson, Kan. The announcement was made by college president Galen Selvig, who also included the naming of Arthur L. Bay as athletic director and head track coach. Romans had served in the capacity of track coach.

On the NEO faculty from 1956 until 1960, Romans later entered Oklahoma State University to complete work on his doctorate degree.

On the national competition . . . Northwestern's A&M's Troubles will represent the college in the 1973 contest in Boston, June 26-27 at which they will compete against more than 100 post-high school auto mechanics teams. Blowing In The Wind

By James Ellis

The 1972-73 sports season on the NCC campus was one of the most successful in recent years. The Golden Norsemen kept the winning tradition going for the third straight year as the football team marched to another successful season, and the basketball teams continued their winning ways.

The Norse averaged better than 80 points per game, as they set a new school record, and finished fifth in the nation.

The Norse basketball team also continued its winning ways, finishing third in the nation, and winning the NCAA tournament.

Coach Catoe Green continued to build the program, and the team was led by seniors Mike Glasser and Mike McEwan.

With the success of the football and basketball teams, the Norsemen entered the 1972-73 season as one of the nation's top teams.

Guests at the dinner included members of the NCC girls basketball team, coached by Rose Wilkins. The pep band, Norse cheerleaders, basketball coaches, members of the Tip-Off club, local booster organization, and campus faculty members who assisted during the season.

Coach Catoe Green introduced all the players from the team before the first day of competition, with some humorous stories and jokes.

In the second day of competition, the Norsemen had their lead reduced to five minutes and created the championship. Williams coached in a four-way tie for the championship.

Lee Whitey was three strikes behind when with a 30. The Norsemen were third in the tournament with a 300. (continued on page 8)
