Residence Hall Rules Revised

Changes in residence hall procedures for the 1973-74 school year at Northeastern A&M College concerning all dormitories are being implemented according to Roy R. Converse, dean of student affairs.

The rules changes are as follows: Residents may entertain callers in the main lounge of each hall from 11 a.m. to 5 p.m. and from 10:30 p.m. Sunday through Thursday and from 11 p.m. to 11:30 p.m. on Friday and Saturday.

The dorms will close their doors by 11 p.m. at 11:30 p.m. with the exception of one main entrance under the supervision of a resident assistant who will attend to the hall until 1 a.m. Anyone who wants to get into their dorm after 1 a.m. must obtain a security guard to open the door. Week-end nights the halls will be open until 1:30 a.m. The resident assistant will be on duty until 2 a.m. and anyone who wants to be in after that hour should seek a security guard.

Any student not participating in the Self-Limiting Hours Program must observe the closing hours of all residence halls and must have parental consent before being allowed to check out during the week.

Quiet hours will begin at 6 p.m. and continue to 1 a.m. for all dormitories.

Finance

Tuition Aid Grant Provide Half Enrolment Expenses

Tuition payments for students attending Northeastern A&M College could have reduced as much as one-half, if the student applied for a Tuition Aid Grant, according to B. A. Robersten, director of financial aid.

The Oklahoma State Regents for Higher Education is implementing the Tuition Aid Grant program to assist Oklahoma College students who are in need of financial aid to meet the cost of attending an Oklahoma institution of higher education.

To be eligible for a Tuition Aid Grant, a student must meet all of the following requirements: must be a legal resident of the state of Oklahoma as determined by the current policy of the State Regents; must demonstrate a financial need; must submit a brief statement about himself along with three letters of reference; applicant must be enrolled or engaged for enrollment as is an Oklahoma educational institution.

The student must not be a recipient of a non-competitive scholarship. No student shall be eligible for grants in more than one of the following categories of undergraduate education.

Class Officers

Elections Slated

Filing for class officer elections will be held September 14 in the Student Services Office, 311 Library Administration Building, according to student vice-president, David J. Nelson.

Those who file for office will be given the opportunity to give a pre-election speech September 14, 11 a.m. Friday. All classes in the gym for the speeches and sophomore elections will meet in the Fine Arts Building.

Elections will be held on September 11, with the polls opening at 9 a.m. and closing at 3 p.m.

Student Senate Plans

Active Fall Semester

Student Senate officers for the fall semester at Northeastern A&M will meet Tuesday, Sept. 3 in the Library for a discussion and planning of activities planned for the semester.

Elected officers for the Student Senate are Don Bendt, president; Terry Chapman, vice-president; L. E. Kellison, secretary and Gregg Roberts, treasurer.

Student Senate meetings will be held each Tuesday of the month, beginning at 12 noon in the Student Union Lounge.

Tuition Sales

Season tickets for the 1974-75 sporting events at Northeastern A&M colleges will be on sale September 11. According to Dr. White, communications chairman, the price has not been decided, although there will be a slight increase over last year.

Three shows will be produced by the new Northeastern A&M theatre which is open to all students who are interested.

Selecting Officers

Campaigns for class officers will soon be in full swing and a nonexistent election calls for good judgement and responsibility on the part of all students. This is not high school and these chosen officers have more duties than getting bands for dances and arranging committees for float making. They possess your voice in Student Senate, your representatives to the administration and your leadership at NNC.

Make your choice a sensible one. Don't be swayed by fancy signs, posters or candidates. All candidates will present their views and ideas through public speeches and literature. Listen to their platforms, judge their character and make your vote count.

NNC has made a great many student policy changes in the past few years. A majority of these changes have been brought about by student interest and urging. If you are completely satisfied with the system at NNC, your choice should be someone who will work hard to keep the privileges already obtained. On the other hand, if a candidate offers new ideas and changes that will benefit the student body, then consider the feasibility of the plans and vote accordingly.

Voting is a privilege not to be abused. Take time in selecting a candidate and then choose a leader.

Get Involved

Student involvement is the key phrase at Northeastern A&M College. It is what helps to make or break campus activity.

If you think that joining clubs or being involved is help to group grow, and likewise the college. Yet, remember to limit yourself to give your fullest to each form of organization you are associated with. If you think that joining clubs or being involved is for the sake of having fun, you may "miss the boat" at NNC.

With the wide choice of activities offered, certainly your interests will be included. Intramurals are conducted each semester. Honor clubs, political and social groups, and fine arts productions help to round out the selections.

The selection of those appeal to you, new groups and societies can be formed, if their purpose is to benefit the students. In such cases, Boyd Converse, Dean of Student Affairs may be contacted.

Student interest makes campus life a lot more fun. See for yourself how easy it is to become involved. Get enthusiastic!! The choices are yours.

Students Choose

Class attendance should be the student's choice.

If you have read the catalogue you may have read that "regular attendance in class is important for success in college." This is a very true statement. But if you read further you will find that it is a requirement—not just a recommendation.

College students are expected to act in all respects like adults, yet we are not free to make this attendance decision as important to our education. The choice of attendance should be decided by students and instructors. Classes are the only ones who realize the true situation and necessity of class attendance.

For many students college is a financial struggle and when their money is being paid for education it should also be the choice of what to do with this education.

The standards we're made to protect us and there has to be discipline in every stage of life. But if education means so much to our future—and it does—then we should be relieved of failure in order to learn.

Travel To Lawrence
Norsemen Open With Haskell

A record of 38 wins and 1 loss in opening games, Northwestern AdM Golden Norsemen will travel to Lawrence, Kansas Saturday Aug. 31, to open against Haskell, Junior College.

NDS last lost to Arkansas City, Kansas in 1962 for the only defeat, Oklahoma Military Academy but the Norsemen in the 1964 opener, but the game was forfeited. Northwestern has a 34-3-1 record for season openers and a 36- record since 1888.

Last year NDS hosted Haskell in the season opener, winning 74-12 in the rain. The only touchdown was scored by Norseman Ron Morgan of Waukegan on a four yard plunge through the right side with 1:34 left in the first quarter. David Chevera then kicked the extra point putting the Norsemen on top 7-0 at the end of the game.

Leading the touchdowns was a 44 yard drive of nine rushing plays and a 9 yard penalty. Eighth Roger Gregory directed the drive as Duane Better and Morgan accounted for all the rushing yards.

Other attempts to score seemed to fail in the rain. On a pass from Gregory to Les Whitby an onside kick from Megginson kept the Norsemen on top. A 17 yard drive by the Norsemen was stopped at the seven yard line. An interception in the end zone ended the series of plays.

On a quick reverse play late in the second quarter Jerry Anderson passed to Whitby who missed the ball as it slipped off his fingers. This last attempt to score failed as time ran out.

Clicking on runs by Smith and Morgan the offense moved to the Haskell two yard line. A fumble recovery by Haskell in the end zone on a run up the middle by Morgan ended the drive.

A pass into the end zone with 1:32 left in the third quarter was ruled back on a Norseman penalty. A fake field goal attempt by Haskell two later ended the Norseman drive. Gregory held the ball for Chevera to kick but ran the ball 21 yards to the five yard line.

The Norsemen lost the Norsemen from a first and ten.

An 82 yard drive by the Norsemen was the last attempt to score. An incomplete pass let the time run out when the Norsemen were stopped at the Haskell seven yard line.

Defensively the Norsemen set two records. Cheva Chevera made 11 tackles including breaking the record of 11 set by Larry Hutchinson. Mike Torres set a new record breaking the 1963 record of Willie McGone with 14 tackles.

Season Preview

Berry-Squad Expect “Best Team Ever”

“We've got a chance to win one of the best football teams we've ever had here,” commented head coach Ruby Berry, concerning the 1974 Northwestern A & M Golden Norsemen.

“With luck, time on our side, we could really make a season,” says Berry. The absence of injuries would play an important factor in his comments.

“Last year we kept an ambulance running between the field and the hospital,” says the coach. “This year we are prepared in case to help our injured Norsemen back up.”

 Twelve interemen return from the 1973 squad, which posted a 1-3 record. The interemen provide the team balance and depth needed to win.

Returning to battle for offensive ends are sophomores Ron Collins, 6-2, 235, Tuscarara, Ill.; and Don Hovet, 6-4, 260, P.T. Glines at tight ends and David Humston, 6-1, 185, Claremore as split end. Mike Clever, 5-11, 190, Tulsa, Okla., Mayes at wide receiver. Returning to battle for the two guard positions. Returning interemen Mike Rabel, 6-1, 217, Miami and John Stimmel, 6-1, 253, Cincinnati, Ohio are listed as starting tackles.

In the backfield, interemen Jerry Anderson, 5-11, 190, Oklahoma City, and Mark Doerfer, 5-10, 185, Humston, Ind., are going for the opportunity to make the team. Coach Humston, 6-3, 225, Mountain Grove, Mo., and Jim Hagenman, 6-1, 190, Oklahoma City, are vying for the starting quarterback role.

Flanker position is being battled for by Gene retiring sophomores Ron Peters, 6-1, 180, Sperry; Mark Boder, 6-1, 190, Grove, Okla.; and Terry Hays, 6-3, 220, Aurora, Mo. return to battle for the starting offensive tackle.

Kane, 6-2, 217, Bellaire, Ind., and freshman Victor Tiger, 5-11, 180, are new names that will be added to the Norsemen’s roster.

In the backfield, sophomores Cliff Wheeler, 6-1, 190, Muskogee, and John Carter, 6-1, 210, Atchison Heights, are listed as returning interemen. Financial Aids Offer Assistance

Several financial aid programs are still available for students attending Northeastern A&M College during the 1974-75 school year, according to S. A. Robertson, director of financial aid at the college.

Robertson said the college has eight major programs designed to enable a student to continue his education. "We're not out of any forms of financial aid," added Robertson.

Northeastern A&M offers the Basic Educational Opportunity Grant which makes funds available to eligible students attending approved colleges, community, junior colleges, vocational schools, technical institutions. In the academic year 1974/75, a student may apply for a BEOG if entering a post-secondary educational institution for the first time after April 1, 1973, and is enrolling on a full-time basis. The amount of the award is based on your determination of eligibility, the cost of attendance, and the payment schedule issued to all approved educational institutions.

The Educational Opportunity Grant program provides for undergraduate scholarship grants that range from $300 to $1,000 per year for students with exceptional financial need. Students must show evidence of academic or creative promise and would not, except for the opportunity grant, be able financially to pursue higher education.

Another program offered in the Work-Study program which allows participation by students from $80 to $120 per semester. Students who are residents of Oklahoma will be given priority. The Oklahoma Tuition Aid Grant program enables a student to receive from $11 to $160 per semester at Tuition at NID. The grant is awarded only to students who are legal residents of the State of Oklahoma and who can determine a financial need.

Loan which must be repaid six months after a student graduates or leaves school are also available at NID. The National Direct Student Loan allows a student to borrow up to $1,000 per year. The loan has been extended to allow cancellation for teaching in a poverty area, and partial cancellation for military service.

The final goal of the department is to help place NID graduating seniors in jobs as the two-year terminal program hours the occupation in accordance with their degree.

For more information, contact Dave Ferguson in the Library Administration building, second floor.

Norwegian Star

Head Named

Jan Hodges, Coweta, has been named head student director of the Norse Star for the 1974-75 year at Northeastern Oklahoma A & M College, according to Carol Calvagno, director of Norse Star.

Assistant student directors are Jerri Day, Broken Arrow; Mary Lou McPherson, Bluejacket; Joyce Mitchell, Tulsa. The student director and her assistants are sophomores at NID.

There will be 36 girls on the Norse Star squad this year, with 16 returning sophomores and 18 freshmen recruits.

"There will be no roster cut," Calvagno explained. "Everyone will be given an opportunity to make the line-up for the upperclassmen. The number of girls in a line-up varies with different eras.

Calvagno concluded saying that this will be the greatest group of Norse Star that has ever been on the NID campus.

Refrigerators Sold By Senate

Refrigerators may be purchased from the Student Senate again this year, according to Dan Biondo, Student Senate president. The cost is $80 deposit and $41 per semester.

For more information, contact Joyce Kostas or any other Student Senate officer in the Student Senate office located in the Student Union.
