Senators Host Yule-tide Party
By Marilyn Renney
Carrying on the tradition set by former Student Senate members, the 1975 Student Senate is sponsoring the children's Christmas party and dinner. The party, at 6:30 p.m., will take place in the new gym following the dinner which will be served from 4:45 to 6 p.m. in the cafeteria.

Santa Claus and Christmas songs by the Northwestern A&M Chorus will help create a festive atmosphere at the children's Christmas party on Dec. 3.

Cynthia Smith, Christian party chairman, commented that she is looking forward to the party and is sure that the children will have a wonderful Christmas day.

Vandals Captured in Morning Raid
By Tim Frye
An unidentified number of men attempted a burglary at 400 North Ave. in the early morning of Nov. 12, according to Vernon Young, Northwestern A&M housing director.

"Although still under investigation, two men have been identified and are being questioned for participation," stated Young.

"Around 3 a.m., several men entered the building, according to Young, and a few got to the second floor," said Young. "They must have been in the wrong dorm because the girls all remained in their rooms and didn't notice a thing," added Young.

"Campus security found a hall window screen torn out and the window broken. This window had no lock on it, but it has a lock now," stated Young. "A few people seemed to have been burglarized. Some damage to the dorm occurred when two door hinges were broken and a door falling off as a result of prolonged shoveling from the outside.

For safety purposes, all the dorms at-Kal are equipped with smoke detectors, which make it easy for escape in case of an emergency. These doors must be kept closed at all times for safety reasons.

Maiden, dean of student services, stated that vandalism of this sort "is destruction of state property, and if proved, could be sent to the dean," according to Young.

"We're still investigating the matter, and we'll probably find out who did the damage and what they did," explained Young.

"This kind of thing can get out of hand and people can get hurt," commented Young.

For Spring Semester

Pre-enrollment is scheduled for the spring semester at Northwestern A&M. Pre-enrollment will be held Dec. 14 and Dec. 15. According to James Screen, registrar at the college, students may pick up permits for enrollment in the Business Office, located in the Library Administration building, from 9 a.m. to 12 p.m. Only sophomores and juniors will be allowed to pick up permits on Dec. 14. If all fees are paid, and the student is cleared through the business office, the student may pick up an advancement permit from the registrar's office.

Students will then report to their advisors, for enrollment and setting up class schedules. After enrollment, students will then proceed to Room 155 of the Library Administration building to complete paperwork and go through registration.

To speed up the registration process only certain permit numbers will be accepted on specified days. The permit numbers and days are:

Dec. 1 permit No. 5820
Dec. 2 permit No. 5821
Dec. 3 permit No. 5822
Dec. 4 permit No. 5823
Dec. 5 permit No. 5824
Dec. 6 permit No. 5825
Dec. 7 permit No. 5826

Pre-enrollment for extended hours will be held Dec. 14 from 4:00 p.m. to 7:30 p.m. in Room 155 of the Library Administration building.

Advisees and students will be available as well as a special advisor for veteran students.

Fiddler on the Roof
Players Stage Musical
By Don Carroll
Casting has been completed and a full cast schedule has been announced for Northwestern A&M Assosciates of the Cassie Pryor production of "Fiddler on the Roof" to be performed in the main stage of the Student Union building Dec. 5, 6, 7, 8 and 9.

"In the tradition of musical productions, the audience can expect a full musical production," stated Professor Pryor.

"Fiddler on the Roof" will be directed by Dr. Paul Kelly, professor of English, and is being choreographed by Mr. John T. Smith, Fiddler on the Roof in the original Broadway production.

"I believe it will be an exciting project for all involved," stated Pryor. "I hope everyone enjoys the show and the atmosphere of the production."
The Way It Is

Kerry Thompson

Twenty-three of the public believe that our government is taking responsible steps to improve the economy. This is the highest percentage ever recorded for this question. The trend over the last 10 years has been upward, with the highest percentage of four years ago being 18.

Economy Adjustment

Fifty-five percent of the public believe that the Administration is doing an excellent job of handling the economy. This is the highest percentage ever recorded for this question. The trend over the last 10 years has been upward, with the highest percentage of four years ago being 48.

Student Disagrees

I am writing you about my review of the new book I have been reading while the course in psychology. "Foundations," by Daniel R. Kanter, is a gripping read. The book is full of examples that make the concepts clear. It is also well-organized, making it easy to follow along.

Candidates File

For Senate Jobs

Filing for candidacy in the upcoming election for the student-staff Senate officers, the Student Senate Officers, at Northeastern A&M will be held in Room 211 of the Library Administration Building, starting at 12:00 noon on November 16.

Punishment

Fifty-four percent of the public believe that the Administration is doing an excellent job of handling the economy. This is the highest percentage ever recorded for this question. The trend over the last 10 years has been upward, with the highest percentage of four years ago being 48.

American Spirit Flutters Through

On the eve of our country's 200th birthday, we, the people of America, have plenty to be thankful for—and what is Thanksgiving Day for, but to give thanks?

Just what have we to be thankful for? At a time when our country seems to be rushing headlong into the abyss of chaos and confusion, what are we to give thanks to? Just what are we to give thanks for?

Here, Americans have much to be thankful for: our food is safe, our water is clean, our air is fresh, our cities are safe, our schools are good. We have the freedom to speak our minds, to worship as we please, to vote for the candidates we choose, to travel where we please.

We must look ahead and offer our thanks for the dreams of the future—our "Spirit of America." Above all, let us be thankful for the opportunity to live in a free and democratic society.
Norse Cafeteria Becoming Self-Service Operation

By JEANNIE CARNELL

With the price of food increasing, the Norse cafeteria is introducing to the cafeteria a self-service equipment. The idea is to give the student more freedom, but it seems some students are hesitant to switch to a self-service system. The food area is more spacious and the selection of food is wider.

Students who prefer the self-service option can now choose from a variety of dishes. The food is fresh, and students can customize their meals to their liking. The self-service option also reduces waste, as students can choose the portions they want.

The Norse cafeteria has expanded its menu to include more options, such as vegetarian and gluten-free dishes. The staff has also been trained to accommodate dietary restrictions and preferences.

Overall, the self-service option has been well-received by students, who appreciate the convenience and variety it offers. However, some students miss the service of the cafeteria staff and the personal touches that come with it.

New Food Truck Plans to Open at Norse

A new food truck is planning to open at Norse. The truck will offer a variety of options, including vegetarian and vegan dishes. The truck will be located near the Norse cafeteria, making it convenient for students and faculty.

The food truck will be run by a local entrepreneur, who has experience in the food industry. The truck will be open during peak hours and will offer special menu items during events and classes.

The addition of the food truck will provide Norse students with a new dining option, complementing the existing cafeteria and vending machines. The truck will also contribute to the diversity of food choices available on campus.

Northeastern Nursing Building Construction Planned

According to the Nurses' Training Act of 1973, the federal government has allocated funds for the construction of a single level nursing building. Northeastern AAM has submitted a proposal to BHEW for the construction of a single level nursing building.

The estimated cost of the building is $573,500. If approved by BHEW, the project will be completed by the federal government and will be open to the public. The building will be a part of the University of Southern Mississippi.

The building will provide state-of-the-art facilities for nursing students, including classrooms, laboratories, and clinical spaces. The design is intended to promote learning and collaboration among students.

The new building will be located on the current site of the nursing program and will replace the existing facilities. The new building will also provide more space for research and community service projects.

The construction of the building is expected to begin in the fall of 2024 and be completed by the fall of 2025. The building will be a significant addition to the nursing program, providing a modern and well-equipped facility for students and faculty.

Norse Sports

Last Game Victory
Norse End Season Even

Enjoying a season ending 8-7 victory over the Competitors of Dodge City College, head coach Bob Berry and his Northwestern stuffed the 1976 grid season with a 6-4 record. By defeating Dodge City, the Norse avoided having the first losing season in Independance. The Norse were paced, in the victory, by freshmen John Siegler and David White. Siegler delivered two point conversions, and scored two TDs, while White scored two TDs and a two point conversion after just one carry.

Independance First Game

Thus ended the game which began back in August, against the Pirates of Independance College. The Norse went 8-7, but Independance had a sparkling season with a higher output, 11-1. The Norse couldn't have ended their season on a higher note for the Norse. Independence won the title by a 33-24 margin over the Norse. NOC's pre-season record was 2-2-1.

The teams re-grouped and made their Robertson Field debut next week against Hutchinson Community College. The Norse took the community to the Blue Dragon, 25-7, ending the record to 1-1. Freshman Willie Broadway was the game leader, scoring twice on 10 carries in 11 attempts, and one TD. Norse endured Hutchinson into Topeka played in the ground, and 11-12 in the air.

The Scotsmen from Highland, Kansas, Community College visited NOC to meet another of their records second game of the season, 13-0. The Norse was victorious in the first half, 13-0, with NOC scoring for their first time in the first half on touchdown by Sophomore Steve VanAndelung. Willie Broadway is leading rusher with 116 yards on 12 carries. Broadway and VanAndelung both earned their first TDs in their first time for 76 yards. As a team, the Norse scored a total of 76 yards on 19 attempts.

The Huskies of Hutchinson are next in line to visit Robertson Field and were dangled by a Norse defense that ended after NOC had rumbled up 76 yards, allowing the Indians only seven yards. The scoring output was enough for the Norse to win 13-0, the first quarter, 6-0 in the second, and 1-0 in the third quarter.

Eigher, in the first game for his freshman season, placed deep in the Haskell, rushing up 8 yards on 12 carries. The game leading ground gained, then, was quarterback James Kelly with 80 yards on six yards and six carry, and two TDs, NOC had over 80 yards on total offense in the tip-off victory.

Intramural Briefs

Football

Harrill One captured the "Bowl" crown by downing Russell Two 14-6 on a chilly Tuesday night. The first quarter was a defensive battle as neither team could score. In the second quarter, Dick Bradley ran 46 yards for Harrill's first score. The conversion failed, and Harrill One led at the half, 4-0. Harrill didn't score again until the fourth quarter when Kenny Fields kicked a 17-yard field goal to lead 4-3. The Norse of Russell Two scored a touchdown, and the Norse of Russell Two took the lead 7-4.

**Lady Norse Open Against Pirates**

Beginning the third year of intracampus competition for women's basketball at Northeastern A&M College, incoming freshmen from the women's basketball team at the University of Arkansas will take on the Lady Norse at noon Thursday (Nov. 19) in the gymnasium.

The Lady Norse enter the contest with four returning sophomores and six freshmen. They are led by Freshman Margaret Davis, who was one of the leading scorers last season. Davis has scored 30 points in the first six games of the season. The team's top scorer is Sherrystrand Smith, who has scored 15 points in the last four games.

GOLDEN NORSE MARCHING BAND—Providing half-time entertainment for football crowds, the Norse Band participated in several parades and city functions in area high school assemblies.

Norse Band Participates in Annual Tulsa Parade

Traveling to Tulsa Nov. 30, the Golden Norse Band will participate in the annual Tulsa Christmas Parade.

Other activities scheduled for the band included a performance for the Miami Rotary club, Oct. 13, with a two-hour public appearance Dec. 4, at the annual Miami Christmas Parade.

The band has played all month every weekend since the beginning of the semester, said Dr. Robert Swanson, band director.

Members are as follows: Amanda Cantrell, Dorothy Hitchings, Dorothy Hurst, Denise McKnight, Diane Moore, and Rosalind Murphy from Tulsa, Donna Naftzger, and Tom Morris both from Muskogee, Lynne Hunt and Tom Davis both from Bartlesville, Joe Epperson, Janet Harper, and Diane Evers from Skiatook, Susan Cooper, Judy Belk, and JoAnn Mose from Bartlesville, Joe Epperson, Judith Higgins, Phyllis, David Johnson, and Terri Hallett, Jim Bailey, William Nelson, and Jan Sweatt both from Bixby, and Don Oosterhout and Jan Smith from Stillwater.

Golden Norse Marching Band—Providing half-time entertainment for football crowds, the Norse Band participated in several parades and city functions in area high school assemblies.

Music Majors Awarded Cash

Green Country Sweet Adelines of Miami gave two cash awards to music majors at Northeastern A&M for study during the fall semester.

Bob Lewis, treasurer of the women's singing group, presented the $100 scholarship to Mary Mortimer, freshman from Paula City, and Penny Lee, sophomore from Skiatook.

More than 300 members and guests in the NEO Music Department, selected ensemble which represents the college in appearances throughout the weekend area, are also members of the college choir.

Penny is in her second year playing the Marimba and in the choir.

Phil Theta Kappa officers for the 1976-77 year are, Ruth McPherson, Stillwater, Okla., president, David Spain, Shermans, Okla., vice-president, Fred Seay, Tuttle, second vice-president, Becky Wright, Cushing, third vice-president, Barbara Gregor, Tulsa, secretary, and Ted Probert, Jasper, Okla., treasurer.

Since 1969, Phi Theta Kappa has recognized intellectual achievement in American junior colleges. Membership in Phi Theta Kappa is conferred on those junior college students who have established academic excellence as judged by the college faculty. Students must have completed at least one term or semester of junior college work, must be judged of good moral character, and must possess qualities of good citizenship.

The purpose of Phi Theta Kappa is the promotion of scholarship, development of leadership and service, and cultivation of fellowship among students of junior colleges in the United States.
