Quiet Hours Don’t Exist

Gaylen Holloway

Many ceremonies and activities across the state will commemorate the historic day. With a wealth of reasons to celebrate and a pride in the state’s leading achievers, Northeastern A&M should begin preparations for joining these ceremonies.

Student/Teacher Spirit Assembly

Student response to the spirit assembly last Friday afternoon was varied.

Wyonna Bighale, Claremore, summarized her feelings, “I thought it was a lot of fun being part of a whole. I’ve been a part of it before, and I was glad to be a part of it again.”

Many students were enthusiastic about the event. “It was great. We should do that every week. It’s about the time the faculty participated in student events. Just being a part of something was good. Faculty participation keeps the student interested,” said Marvin Harrison, Tulsa.

Others, however, felt a certain alienation, “I don’t get into the spirit of the event.”

The question of whether or not students should participate in such events is a topic of debate.

When a teacher leaves an appointment he expects to have certain rights and to make certain stipulations which are made by the management. He expects the right to privacy and the right to quit.

Class Gives Study Help

Spotted columns in the Journal recently an article entitled “Reading Day: Why is it so Important.”

A timely analysis of the problems of non-readers and poor readers who depend entirely on television for news and information.

The problems of college students become even more acute when more and more students read newspapers on campus. The volume of reading required for courses such as literature, philosophy, science, history, etc.

Not only is television making it easier to avoid reading, but it is also making it easier to avoid thinking. The reader must not only think and remember what he reads, but he must also think and remember what he reads.

According to a survey by the Northeastern A&M reading specialist, the average college student on campus reads about 150 words per minute.

A college freshmen is able to comprehend as many as 650 words per minute to be successful in the initial year of college. Better readers can exceed speeds of 1000 words per minute.

Information gained from television is superficial, perhaps sufficient for the average individual. For college students beginning a program of learning for life, however, it is only a start.

With pre-enrollment courses coming the first part of December, many students should consider the advisability of taking a developmental reading course. A developmental reading course is for students who have not improved their comprehension skills enough to gain enough for those students who have discovered that they are not getting enough of the information on the first cover page.

The need for reading will continue to increase in a society dominated by computers, automation and control of complex machines. It would be advisable to begin preparing for tomorrow’s needs today.

Norse Weekend Seem Dull

Dear Editor:

Weekend seems so dull. The Norsemen have forgotten their traditions.

Here’s the question of whether or not students should participate in such events is a topic of debate.

Spirit Week Activities

Photos By
Van Luster

SPIRITED CROWD—Many enthusiastic students attended the pep rally held in front of the Campus Student Union last week to create Norse spirit for the Peru, Kan., game.

BAND CREATES SPIRIT—Members of the Golden Notemen band began the pep rally by going through each of the buildings on campus playing the school song and gathering the students.

A PIE IN THE EYE—Dr. D.D. Gooch, president, gets a pie in the face as a part of the pep rally activities. Harry Turner, agriculture instructor, looks on innocently.

SURPRISED WINNER—Home Thomas, master of ceremonies, gets a pie in the face as coaches Bob Maxwell and Ray Jenkins congratulate each other for surviving the baking contest between classes.

THE PAMEL THAT REFRESHE—One of the cheerleaders received a refreshing dip in the fountain during the day-long spirit activities.

AGGIE ENTHUSIASM—Members of the Aggie Society displayed their spirit with the attention-attracting bull.
1976 Queen Candidates

By JEANNIE DARNELL
Home Editor

Vying for the title of 1976 Homecoming Queen are 20 raiders representing athletic clubs and organizations on campus. Comments are:

LINDA BIRD
Linda is the daughter of Mrs. Carl Bird, Waukon. She is a 20 year old majorette in marching. Linda will represent the First Americans Club.

CINDY BOSWELL
Cindy is the 19 year old sophomore majorette in fashion mode. She is the daughter of Mr. and Mrs. Bud Boswell and is representing the cheerleaders.

RHONDA BROWN
Rhonda is the daughter of Mr. and Mrs. Richard Brown of Shreve Springs, Ark. She is an 18 year old nursing major and is representing the Industrial Technology Society.

JO ANN CLARK
Jo Ann is the 19 year old daughter of Mrs. Joyce Clark of Miami. She is a sophomore majoring in drama and is queen candidate for the Maugetts club.

CHARLOTTE CONNER
Charlotte, the Republican candidate, is the daughter of Dr. and Mrs. Claude Conner of Grove. Charlotte, 19 year old is a sophomore technical theatre major.

SHERRY COOK
Sherry, a home economics major is the daughter of Mr. and Mrs. Bruce E. Cook. She is 19 years old and is representing the Home Economics club. Sherry is from Greenwood.

BERNICE COPE
Bernice is a freshman majoring in pre-nursing. She is the 19 year old daughter of Mr. and Mrs. Joseph Copeland, Midland. Bernice is queen candidate for the freshman class.

BRENDA DAUGHTERY
Brenda is the daughter of Mr. and Mrs. John Q. Daughtery of Commerce. She is an 18 year old business major representing the Business Club.

RITA DUCK
Rita is the computer science queen candidate and is the daughter of Mrs. Arlene Thompson of Pryor. She is a 19 year old computer science major.

HARRIET EMERSON
Harriet is the Black Student Union candidate and is a 19 year old daughter of Mr. and Mrs. John Emerson. Harriet is a marketing and management major from Tulsa.

JULIE EMMONS
Julie is the daughter of Mr. and Mrs. John E. Emmans of Warren Robins, Ga. She is an 18 year old psychology major and is representing the Northern Oklahoma Association On Children Under Six.

PATTI FIDDLER
Patti is the daughter of Mrs. Norman Wicklewire of Denison. She is an education and counseling major representing the Rodeo Club.

MARTA FLORENTINO
Marisa, the international club queen candidate is the daughter of Mr. and Mrs. Guillermo Flores of Pharr. She is a 19 year old business administration major.

MICKEY HARPER
Mickey is a 19 year old sophomore home economics major. She is the daughter of Mr. and Mrs. C.A. Harper of Shawnee. Mickey is the Inter-fraternity Council candidate.

GAYLEN HOLLIDAY
Gaylen, an 18 year old journalism major is the daughter of Mr. and Mrs. Dan Holliday of Joplin. She is representing the Pioneers club.

KRISTI KLINEFELTER
Kristi, the nursing club candidate is the daughter of Mr. and Mrs. Howard Klinefelter of Tulsa. She is a 20 year old nursing major.

LEZLIE MARSHALL
Lezlee is the 18 year old daughter of Mrs. D'ArOlne Cawdrell in an agriculture major. Lezlee is from Tulsa and is representing the Aggie Society.

MARY MORIARTY
Mary, is the daughter of Mr. and Mrs. A.R. Nicholson of Pampa City. She is a 19 year old music major representing the College Chorale.

CINDY OSBORNE
Cindy, the 19 year old English major is representing Pia Thuma Kappa. Cindy is the daughter of Mr. and Mrs. Jackie Osborne of Oklahoma City.

MARLENE Pritchard
Marlene, the Young Democrats queen candidate is the daughter of Mr. and Mrs. Howard Pritchard of Grove. She is the 19 year old social science major.

ELAINE RICE
Elaine is the 18 year old daughter of Mr. and Mrs. Lester Rice of Laver Grove. She is a secretarial science major representing Chi Omega.

DARYL RILEY
Daryl, is the daughter of Mr. and Mrs. Leroy Ingrum of Miami. She is a 19 year old business administration major. Daryl is representing the Business Club.

KATHY ROWDEN
Kathy, the 18 year old daughter of Mr. and Mrs. David Rowden. She is a drafting and design major from Galliaville. Kathy is queen candidate representing the Drafting Club.

ANTON SCHWANDER
Anton is the daughter of Mr. and Mrs. Lyfe Schwander of Tulsa. She is a 19 year old criminal justice major. Anton is candidate for the criminal justice club.

CHERYL SIMMONS
Cheryl, 18 year old music major from Commerce is the Methodist candidate. She is the daughter of Mr. and Mrs. Charles Simmons.

LORI SMITH
Lori is a sophomore music major from Tulsa. She is the daughter of Mrs. and Mr. Arthur Smith and is representing the band.

SHELLEY SMITH
Shelley is the daughter of Mr. and Mrs. R.C. Smith, Jr. and is representing Delta Sigma Theta. She is a 19 year old home economics major from Tulsa.

JANEY SNEED
Janey is a 19 year old microbiology major from Hackett. She is the daughter of Mr. and Mrs. Carl Sneed and is queen candidate for the Engineers Club.

SUNNY YORK
Sunny is the daughter of Mr. and Mrs. Howard York of Lawton, Kan. She is a physical education and recreation major and is representing the sophomore class.

QUEEN CANDIDATES—Homecoming Queen candidates for 1976 include left, front row, Lezlee McDonald, Tulsa; Lori Smith, Tulsa; Mary Moriarty, Pampa City; Harriet Emerson, Tulsa; Bernice Copeland, Midland; Julie Emmans, Warren Robins, Ga.; second row, Elaine Rice, Long Grove; Cindy Boswell, Nevada; Ansil Schwanger, Tulsa; Kathy Rowden, Galliaville; Jo Ann Clark, Miami; Daryl Riley, Miami; Maria Pimentel, Houston; third row, Sherry Cook, Owensville; Shelly Smith, Tulsa; Gaylen Holliday, Joplin; Linda Bird, Woodward; Janey Sneed, Hackett; Rita Duck, Pryor; Cindy Osborne, Oklahoma City; Mary Moriaty, Pampa City; Martha Flores, Pharr; Andrea Thompson, Pryor; Arlene Thompson, Pryor; and Brenda Daughtery, Commerce. The queen will be announced at halftime of the Golden State vs. Fort Scott, Kan. football game Sat., Oct. 10 in Robertson Field. Kickoff for the grid action will be 7:30 pm.
Diving Class Very Deep

By CHERIE CUNNINGHAM
Staff Reporter

Has anyone noticed a deep girl running around campus with long, brown wet hair on Thursday nights? She's Mary Ellen Vernon, just out of scuba diving class.

Mary Ellen, freshman majoring in nursing from Great, has the different habit of being able to breathe under pressure in the class. Her first reaction to this whole ordeal was "Oh, my God, what have I done?"

She commented that the instructor "tries to make the work as easy as possible. The main thing is that you don't die. the only thing is that your friends are in the water. I really enjoy my class. I am along with everybody else, the boys. I'm not a professional," she concludes.

NEO is one of several colleges in the four area schools that offer a course in Basic Scuba (Self-Contained Underwater Breathing Apparatus) diving. The course is taught by Dave Wood and his assistant, Daniel Fugate.

Wood described SCUBA diving as "a very unique sport. Sport diving is a specialized sport requiring basic scuba techniques. It's a sport everyone can participate in from the safety. For people who like water, it's a step further. For people who like the outdoors, they'll find they like the underwater world."

Each course covers basic diving safety and techniques. Wood explained the course consists of several pool sessions and three open ocean dives in addition to practice what they've learned in class.

"Students learn in class such things as diving techniques (the use of fins, masks, and snorkels) and learn to breathe in the water. They practice underwater and water safety."

Wood compared the in-water practice and training to that of when a pilot, in a cockpit, on land, checks the instruments and the habits before he is ready to fly. He said he was ready to fly. He said he was ready to fly.

Community Service courses are offered by Northeast Ohio "A" to a variety of interesting and diverse areas of the community. Ranging from basic scuba diving to horseback riding, these courses are for students who want to learn more about a particular sport or adventure.

Community Service courses are an excellent way to explore new interests and develop skills. The courses are designed to be flexible in terms of credit hour requirements, allowing students to focus on their needs. These courses also provide opportunities for community service and personal growth.

The class offers the opportunity to experience the thrill of scuba diving in a controlled environment. Students will learn basic diving techniques, including air management, emergency procedures, and underwater navigation.

The course is divided into two parts: theoretical and practical. The theoretical part covers the fundamentals of scuba diving, including equipment usage, safety procedures, and environmental considerations. The practical part involves hands-on training in the pool. Students will practice their skills in a safe and controlled environment.

Amesville Features Editor

What is working successfully for international students attending Northeast Ohio State University (NOSU) may be what is needed by many NEO students facing learning problems.

Jack Backer, chairman of the English department, claims that for American students the program for international students could be just as successful.

A special 10-hour block of developmental courses is mandatory for international students. Included in this block is four hours of preparatory English, two hours of English composition, and six hours of specific English courses.

The students do not take intelligence, they lack the experience of using the American language. Most of these students have studied English but they have not had much experience using it.

The preparatory English class is to improve their English skills and more experience in writing our language.

The speech course allows them to hear American students speak in a proper way of giving them a chance to practice speaking English.

Salute To 1951 Squad

By CHRIS FLETCHER

Asociated Press SPORTS

Northeastern Adak will be honoring B.A. Red Robertson's 1951 football squad in pre-game activities during homecoming Saturday night.

In the second half, Bob Leneb started the scoring with a 1-yard plunge while Chilton followed minutes later with a 13-yard quarterback keeper. By then three yards out for the last score.

The following week, the Golden Norsemen defeated the Oklahoma State Veterans with a 16-12 margin. In the second quarter, the Norsemen took their first lead of the game on a 25-yard touchdown pass to Lewis. In the third quarter, the Norsemen scored a 3-yard touchdown to take the lead into the fourth quarter.

In the fourth quarter, the Norsemen scored again, this time on a 5-yard touchdown run to complete their win over the Cowboys. In the second half, the Norsemen continued their dominance with a 1-yard touchdown pass to Lewis followed by another 1-yard touchdown run by Chilton.

The final score of the game was 40-8 in favor of the Norsemen. The Norsemen's victory was significant as it secured their third consecutive conference title and set them on the path to an eventual national championship.

For more information and updates on the 1951 Norsemen football team, please visit www.norsewind.com. Stay tuned for the next edition of the Norse Wind, where we will continue to celebrate the legacy of the 1951 Norsemen football team.
Norsemen Seek Revenge Against Greyhounds

by STEVE SPANNING
Sports Editor

Highlighting homecoming activities, the Golden Norsemen will play host to Fort Scott Greyhounds tomorrow night at Rutherford Field. Kick-off is set for 7:30 p.m.

Coach Joe Harms' Greyhounds stand at 8-1 on regular season play and also at 5-0 while competing in the Kansas Jimmies Conference. Fort Scott suffered a loss in the hands of Coffeyville last week 7-0.

In last year's meeting between the two schools, NEO suffered a 33-17 setback at Fort Scott. The Norsemen tallied 109 yards and 109 in total offense.

The Golden Norsemen began the scoring in the second quarter with a 31-yard pass from Steve Miller to the hands of Thomas Gage. The Norseman returned 3 yards to the 20 yard line, which was returned to the Norse 10 yard line. Teammen left for the half yard line with the score at zero.

The Norsemen kicked off the second quarter with a 54-yard punt to Fort Scott's 33 yard line. The Norsemen regained possession on a 4-yard run by Steve Miller. The Norsemen drove the ball to the Fort Scott 4-yard line, where the Norsemen scored for the second time in the game.

Returning punter Jim Barker spotted the Norsemen to a 30-yard victory over the Greyhounds with Fort Scott returning punts of 62 and 56 yards.

The shortest field goal record was set by Charles Denton's Bears' bander. Quicker than the Norsemen in the first quarter was an 18 yard field goal. Fort Scott kicked off the PAT to a 6-0 Norse lead. Backed up winds into these three are none. Final yardage for the Norsemen was done 84 yards off the 13 yard line. Quarterback Bill Vining then went from wind yard out for the TDs. Hicks added the extra point for a 1-6 Norse lead with 10 minutes remaining in the first quarter.

In the second quarter, Vining could not connect again with George Gage on a 22 yard touchdown pass. Hicks had kicked off again a 55-yard field goal.

The Norsemen lost at first the 40 yard line, but converted a two yard lead. A 40-yard touchdown pass was completed in the second quarter for the Greyhounds.

None attacking the Norsemen scored from that yard out to open the second half scoring. Hicks received the Norsemen at a 30 yard line and drove into the third quarter for 13 points. The Norsemen held for a 29-0 lead after the team was driven to the goal line until the Norse scored for the second time in the game.

In the second quarter, Fort Scott scored for the second time in the game.

Returns Settle Grid Issue

by DON COCHRAN

Intramural Highlights

The Norsemen are still second place, while the BH Raiders won their regular games and pulled into second place. The current standings are:

- Norsemen: 16-1-1
- BH Raiders: 16-2-1
- Shocker's: 14-2-1
- Coffeyville: 13-3-1
- Fort Scott: 11-4-1
- Coffeyville: 11-4-1
- Coffeyville: 11-4-1
- Coffeyville: 11-4-1
Meistersingers Unique Group

"We are a unique group in that unlike other college and university men's glee clubs and barbershop ensembles, our focus is on the production of choral music, not simply singing in a group." - Robert McIvor, director of the Meistersingers.

The group consists of four different choirs: the Soprano Choir, the Tenor Choir, the Baritone Choir, and the Bass Choir. Each choir specializes in different types of music, from pop to classical.

The Meistersingers have performed at various events around the country, including the International Choral Festival in Aspen, Colorado, and the World Choral Festival in Tokyo, Japan. They have also performed at the White House for President Barack Obama.

The Meistersingers are open to all students, regardless of gender or prior musical experience. The group meets every Monday evening in the School of Music, Room 102.

Interdorm plans for the upcoming semester include a joint holiday concert with the University Choir and the University Women's Chorus, as well as a spring concert featuring guest vocalists from the University Department of Music.

Future plans and developments are still being discussed by the group, but they hope to continue growing and finding new avenues for musical expression.

Computer Science

Computer Science will be hosting an event in the computer lab on Monday, October 28th, from 6:00 PM to 8:00 PM. The event will feature guest speakers from local technology companies who will discuss various career opportunities in the field of computer science.

The event is open to all students, and it is a great opportunity for those interested in pursuing a career in computer science to network with professionals in the field.

Baptist Union

The Baptist Union will be hosting a prayer meeting every Wednesday at 7:00 PM in the chapel. All are welcome to attend and join in prayer for the needs of the church and the community.

The union is committed to serving the community with love and compassion, and they encourage anyone who wishes to get involved to contact the church office.

Dawson Jewelry Co.

Dawson Jewelry Co. is proud to announce the opening of their new store, located at 40 North Main Street in downtown Miami, Oklahoma. The store offers a wide selection of fine jewelry, including engagement rings, wedding bands, and Fashion jewelry.

Their expert staff is always ready to help customers find the perfect piece of jewelry for any occasion. Dawson Jewelry Co. is dedicated to providing exceptional customer service and a stress-free shopping experience.
