Welcome to the Student's Pre-enrollment Slated For Fall

By Donna Carroll
Asst. News Editor

Pre-enrollment for the 1976 Fall semester at Northeastern A&M will begin on August 28 and continue through September 10, according to James Reese, registrar.

Pre-enrollment will be alphabetical, beginning with the name "A" through "K" on August 28. On July 13 "L" through "O" will be pre-enrolled through "X" and on July 14 "P" through "Z" will be enrolled. Pre-enrollment will begin on July 15, and names "A" through "C" on July 17. Students enrolled will be on student roll for those courses who were able to attend the weekly pre-enrollment meetings.

Students should begin pre-enrollment no later than 7 p.m. on weekdays and should be present at 8 a.m. for the Saturday session.

RECORDS NEEDED

Certain materials are required before a student can pre-enroll. Official copies of the student's ACT score, high school transcript, and a completed NER registration form must be filed with the Registrar's Office prior to enrollment.

"Pre-enrollment card and other materials will be taken during pre-enrollment sessions, and students are urged to drop in appropriately," said Reese.

Students planning to register for a car on campus parking permit must have the license plate number, make and model of the car, the expiration date for the license, and the owner's driver's license number.

Student enrollment will again be on a 15-week basis, with registration and withdrawal deadlines to be announced later. Non-tuition fees will be due at the time of registration. Students will be billed at a later date by mail.

Enrollment is expected to bring the total enrollment for the fall semester to around 800 students, or two-thirds of the current student body.

To be enrolled, students must have their student ID card and ACT TEST-RESULTS.

For those students who have been unable to attend an ACT test, one will be held August 10, 11, and 12 at 8 a.m. in the library. Students are expected to bring their ACT test results to the pre-enrollment session.

Students who wish to be administratively enrolled in courses other than those on the student schedule must do so in their student ID card and ACT TEST-RESULTS.

Consistency Gives Linksters Probabilities For Year

"I think we have the players who could do it," according to the president of the 1976 Northeast Amateur golf tournament.

Coach Mehner has two key men on the squad that should make the All American team. They are Junior Schleifer and Paul Rendell, who will make the All American team. Schleifer is a consistent player who has a strong putting game. Rendell is a long hitter who can make long birdies. Their combination makes them a formidable team.

Tennessee Red, a team that has traditionally done well in the Northeast Amateur, will be seeking a third straight year of success. They have returning players who have won the tournament in the past, and they are looking to make it a four-peat.

New Hampshire State University will be represented by a strong team, led by Brian Smith and Jeff Webster. Smith is a consistent player who can make long birdies, and Webster is a strong hitter who can make long birdies. Their combination makes them a formidable team.

The Northeast Amateur is one of the most prestigious amateur golf tournaments in the country. It is a 36-hole, stroke-play event, with the best two scores from each day counting. The tournament is held at the Indian Head Country Club in New Hampshire.

Thincloth Lettermen Lead Norse Squad Candidates

By STEVE BUZZARD

Sports Editor

The letterman tradition is alive and well at the University of Maine. The Norse have been a dominant force in the New England Conference for the past three years, and they are once again looking to repeat as conference champions.

The Norse have a strong returning core, led by senior quarterback Dan O'Brien. O'Brien is a proven leader who has been named the conference's offensive player of the year in each of the past three seasons. He is a strong runner who can also make long birdies. His combination makes him a formidable player.

Freshmen Add Strength To Young Baseball Team

By CHUCK PEDERSEN

Sports Editor

The University of Maine baseball team is off to a strong start this season, thanks in part to the addition of three freshmen to the lineup.

The freshmen have made an immediate impact on the team, providing much-needed depth in key areas. Senior pitcher Tim Smith has been a key addition to the pitching staff, while freshman outfielder John Johnson has been a bright spot in the outfield.

Norse End Year

Norsemen at Edinboro: A Fund-Raising Drive

The Norsemen held their annual homecoming festivities, which included a football game against Edinboro, on Saturday night. The Norsemen wore their traditional black and orange uniforms and played in front of a packed crowd at Edinboro's Alumni Stadium.

The game was a close one, with Edinboro leading 14-10 at halftime. The Norsemen fought back in the second half, scoring two touchdowns and holding Edinboro scoreless to win the game 22-14. The Norseman's defense was strong, allowing only one touchdown in the first half. The Norsemen's offensive line was successful in blocking Edinboro's pass rush, and the running game was effective. The Norsemen's quarterback, John Johnson, had a strong performance, completing 12 of 18 passes for 150 yards and one touchdown.

Following the game, the Norsemen held their traditional homecoming dance, which was attended by thousands of students and alumni. The dance featured a live band, dancing, and a variety of food and drinks.

The Norsemen's football team has a long and storied history, and many alumni still hold fond memories of their time at Edinboro University. The team has won numerous conference titles and has produced several All-Americans and NFL players. The Norsemen are looking forward to a successful season in 2023.
