Security Aids Students

By Susan Clark

"Problems with students and breaking of rules at NEO seem to be less severe when compared with previous years," said Dean Bob Boga, director of Student Affairs. "This may be due to better campus security that has been put into place.

A Homecoming Banquet will be held in the student union building. The banquet will feature four entries including beef, roast turkey, vegetable, and whole salmon. Also on the menu is an avocado pepperoncini, Mexican corn, baked beans, green peas, deviled eggs, and relish plates.

A regularly scheduled meeting of the Golden Norse alumni association will be held at 7 p.m. in the student union building. The meeting will be followed by the banquet. The 1978 Outstanding Alumni Awards will be presented, and the election of Alumni Association board members will be included in the meeting.

At 7 p.m., there will be a "mini-palooza" of selected bands that will be announced at the start of the pre-game activities on the Roberton Field track.

Honor students from the 1928 and 1953 alumni will be presented shortly before the 7:30 kick-off. The Golden Norsemen will play the Trojans of North Park for the Trojan Cup. The 1978 Homecoming Queen will be crowned at halftime. The Homecoming Court will be announced at the end of the game.

Campus Club Plugs Voter Registration

By Susan Clark

Voter registration will be held Oct. 25 from 10 a.m. to 2 p.m. in the student union building. "The Young Democrats are sponsoring the registration," said Jon Hiler, chairman of the Young Democrats. "Linda Bonewit, president of the Young Democrats, will be on hand to register students. Mr. Hiler will have two secretaries helping with the registration.""This is a general election which will affect the lives of our citizens. Most students cannot go home to vote and this is why we have the registration," said Bonewit. "The students who are registered will have their ballots mailed to them. If the student fails to vote twice in the general elections here, his name will be removed from the list. The student will then have to register again if he wishes to vote. Our goal is to increase the number of registered voters," concluded Bonewit.

Summer Trip Offers Credit

Students will have the opportunity to visit tour major cities as part of their regular credit in humanities this summer as NEO sponsors the first study tour June 13 to July 3.

According to the Norwegian International office and the Humanities division, the trip consists of visits to London, Paris, France, Italy, and Florence, Italy. There will be numerous side trips to such places as Stratford-on-Avon, the birthplace of William Shakespeare, the ancient English landmark’s Stonehenge, and the Palace of Versailles in France.

THE TOUR COSTS $1,695. The total cost includes plane transportation, lodging, two meals per day, and any insurance and courses.

The tour will leave Tulsa June 13 and will return to Tulsa on July 3. Students will spend approximately 5 days each in Rome, Paris, and London and a day and a half in Florence, according to Nicholas Caragco, co-sponsor of the tour. For any questions interested in the trip can contact Caragco.

In addition to the six-week course at NEO, students will attend classes on the tour. According to Jana Thompson, assistant director of student affairs, students will be taught by native teachers of each country they visit.

“Of course, just being in a foreign country will be an experience,” Thompson gushed.

According to Thompson, the tour is not just open to NEO students. Townspeople over 18 years old and students from other colleges may go on the trip. “We hope to get between 40 to 50 people,” Thompson remarked.

“This is the first year NEO is sponsoring the tour,” Caragco remarked. “It’s a great opportunity.”

Dyer Initiates New Mother

It’s not every day that NOC gets a new dorm, but that rare day came when Sula Allen took over the position of Dyer Hall’s dorm mother. She is replacing Audrean Gongron.

Mrs. Allen is originally from Jackson, Miss., where she and her husband Ray lived until he retired as a plant operator from the V.A. Hospital. In December of 1950, they moved to Miami, where she was the apartment manager of the Metro Apartments, married student housing here on campus.

They moved to Tulsa in June of this year while Mrs. Allen worked as the manager of a senior citizens complex for four months.

“I like it here,” she intones. “The people are so friendly.”

A Long Time Ago... last week, I realized that Mrs. Allen.

When asked how long she would continue the rules, she said, “Well, I expect the boys to follow the rules and do what they are supposed to. If they are good to me.”

New Officers

Serving as club leaders are: president, Chris Scan, Tula Kelley, and treasurer, Kaye Morris, student senate representives, Wanda, Mark Hicks, vice president, Natasha and Regina Simon, secretary treasurer, Kingfisher.

Dyer Hall's new dorm mother is an ideal mother. She is reliable, warm, and understanding. She is a perfect fit for the needs of the dorm.

The dormitory is a hub of activity, with students coming and going throughout the day. Mrs. Allen is always there to help and guide them.

She is also a great source of advice and support. She is always ready to listen and offer words of wisdom.

With her leadership, Dyer Hall has become a welcoming and supportive community. Students feel safe and comfortable in their new home. Mrs. Allen's contributions have been invaluable, and she has surely made Dyer Hall a better place.

**NEO Norsemen Romp Wranglers**

By Curtis McElhinny

There were some good running plays this week, but we have a lot of work to do before we start winning games. The offense was in sync with the defense, and we had our best game of the season. We need to keep working hard and make improvements on both sides of the ball.

**UFO?**

By Benny Van Schuyver

As we enter the holiday season, we're starting to think about what the future holds. With the holidays coming up, we want to wish everyone a happy and safe season. This year has been challenging, but we're looking forward to a bright and hopeful future. Stay safe and healthy.

**Norse Confront Homecoming**

By Benny Van Schuyver

Coach Durban added, "We're excited to host the Wranglers this weekend. The Homecoming game is always special, and we're looking forward to a great game. The Norse defense has been solid, and we need to keep that going against the Wranglers. We're ready for the challenge and looking forward to a great game!"

Bloopers Covered Well

By Mike Hignite

It is written, "Act well your part for all are a stage,"
and if this is true, then Mike Manfield and Pat Miele
share all the honors during the opening performance of "Auntie Mame.

Except for the fact that I couldn't understand a single word
during the entire first five minutes of the performance, the play was extremely enjoyable.

"Auntie Mame" is a musical comedy
set on stage and not friends, you
to study Mame in other performances, but this is the first
the first time I really thought of her
as someone else. My eyes went to Lisa Bennett who
played Agnes Gooch, Randy Bumgardner as Humphrey,
and Candy Brambley as a Miss
in Miami High School.

The stage crew deserved a hand for this production.
I didn't count how many sets were made, but I'm sure
it had at least two. Three changes were made quietly, without
announcing. The costumes were also
well done.

The show was enjoyed by everyone from grandparents
to children. There was an
awful lot of raucous language in the production, but it wasn't
blown out of proportion.
Good action, last set changes and a
good audience made 'Auntie Mame' an opening night success.

Doors Opened To Expressions

The NORD WIND is a paper

The staff of the paper, the editorial page, is set up for

Complaints and opinions are
ways of expressing yourself
to the entire cast for the way
they covered them such as the
time Mame was working a busy
woman's body. I first noticed
that auster wasn't working when I heard a few
minutes ago, "blow bees!"

AS A WHOLE, the actors in Mame did a good job.

I really enjoyed the characterizations and the
special arrangements in the production of officers for
driver. This means that only people who have
membershio in Wayne will be
allowed to vote.
