Red Cross Seeks Blood Contribution

By Bethi Sims
News Reporter

Donation of blood will be taken on Oct. 23 in the Harrell-Dobson lounge. Everyone is welcome to donate because all blood types are in shortage.

Donors must be 18 or 17 with parent’s consent and weigh at least 105 pounds. If a donor has had surgery, 3 days after their surgery before they are able to give blood. Also, no one with a cold or the flu can donate.

Donating blood is not a long, drawn-out experience like most students tend to think. The whole process only takes about 10 minutes to complete.

The first thing that has to be done is to get registered. Then, the donor’s blood pressure is taken. After the blood pressure is taken, a little blood is drawn from inside the donor’s arm and put into a blood solution to be filtered. The last thing that the donor has to do is donate.

The Cross seeks blood, but goes to the campus and rests for about 10 minutes.

After the blood has been donated, it is sent to Tulsa, where it is used for diseases and to determine disease. "We like to bring the blood to NEDO because it is a West wide blood transfusion," said3. "When the blood is beyond usage, it is used for diseases and to determine disease."

Brush up on your blood donation, and help save lives.

Art Workshop Offers Insight to Participants

The annual Visual Communications Seminar will be held by instructor Debra A. Delahay, Director of Art, University of Southern State College, 9 a.m. to 3 p.m. This year, Oct. 23, in the the NEDO fieldhouse.

Students will see historical blood donations and other interesting people and information will be shared.

The $50 fee will be charged for the event.

A schedule of the day will be: demonstration and orientation in the fieldhouse at 9:10 a.m.; student drawing figure, 9:15-11:30 a.m.; lunch break, 11:30-1:30 p.m.; teaching (Fine Arts Center), 12:30-1:30 p.m.; presentations, 1:30-3:30 pm.

Participants will be required to bring the following materials: 10 X 20 cm. drawing paper with board, compressed charcoal sticks, pencil, charcoal, clips, charcoal, paper.
Norse Beauties

Homecoming Queen Candidates

By Pam Bushby
Managing Editor

Competing for the title of 1980 Homecoming Queen at NDSU are 29 candidates selected from various clubs, classes, residence halls, and organizations. They are as follows:

ELLEN SHEPHERD
Ellen is the daughter of B.J. Shepard, Bismarck, and represents the business club. She is an 18-year-old business major and marketing major.

STACY ROBERTSON
Stacy is the daughter of James Robertson, Broken Arrow. She is an 18-year-old interior design major. She is representing the Dramatics club.

MARILYN UNDERDOWN
Marilyn is a 19-year-old political science major. She is a member of the sorority Zeta Tau Alpha and represents the Student Affairs Office.

BECKY SMITH
Becky is the daughter of Judith Smith, Miami. She is a 19-year-old psychology major and represents the Colonnades for Christ.

KIM PERRY
Kim is the daughter of Joan Askov, Comets. She is a 19-year-old political science major and represents the ILETS.

ROSIE SHUMATE
Rosie is a 23-year-old business administration major. She is a member of Alpha Kappa Psi, and represents the Student Senate.

KARRIE SHOCKLEY
Karrin is a 19-year-old psychology major. She is a member of Alpha Chi Omega, and represents the Student Activities Council.

SHERI STEPHENS
Sheri is the daughter of John Stephens, Bismarck. She is an 18-year-old business administration major and represents the Student Government Association.

KELLY KISSE
Kelly is a 20-year-old biology major. She is a member of the Student Government Association, and represents the Student Senate.

RHEE SAPPINGTON
Claire is an 18-year-old English major. She is a member of Alpha Xi Delta, and represents the Student Senate.

GINA COLEMAN
Gina is an 18-year-old English major. She is a member of the Student Government Association, and represents the Student Senate.

ANNETTE CHIN
Annette is a 25-year-old business administration major. She is a member of Alpha Chi Omega, and represents the Student Senate.

THERESA LAGERS
Theresa is the daughter of Joseph Radlowski, Fargo. She is a 21-year-old business major and represents the Student Senate.

LORRAINE CHAMBERLAIN
Lorraine is an 18-year-old political science major. She is a member of Alpha Xi Delta, and represents the Student Government Association.

LORETTA HORN
Loretta is the daughter of Thomas H. Nelsen, and represents the Student Senate.

CINDY WRIGHT
Cindy is a 19-year-old psychology major. She is a member of Alpha Chi Omega, and represents the Student Senate.

MARY McWETHY
Mary is a 19-year-old political science major. She is a member of Alpha Chi Omega, and represents the Student Senate.

CAREY SKYE
Carey is a 19-year-old political science major. She is a member of Alpha Chi Omega, and represents the Student Senate.

PATTI BETH ROBERTS
Patti is the daughter of Paul E. Roberts, Grand Forks. She is a 20-year-old political science major. She is a member of Alpha Chi Omega, and represents the Student Senate.
Past Campus Life Related For Silver-Gold Memories

By Jean York

For the class of 1930 and the silver class of 1955, let us take a look back into history. During 1930, life seemed simple, and perhaps our campus today. Parties were held for every occasion and class building was in use for classes. 

THERE WERE ONLY two dorms, Commodore and Kahne. A big event was the jamboree held for an auditorium and gymnasium.

This period in the world was the depression. The state was part of the Dust Bowl, which included Nebraska, Kansas, Missouri, and the Texas panhandle.

Such a major occurrence in history had to have had an affect on the class of 1930. Perhaps this is the reason for a shortage of yearbooks and newspapers.

THE GENERAL IMPRESSION received when reviewing the class of 1955 was one of enthusiasm. It seems that each year a "full week" was held to initiate the freshmen. The freshmen were required to wear signs around their necks reading "Every Fresh."" The only sign they could wear was "Every Fresh."" The sign was required to be worn at all times around their necks.

The Sophomores were not about to take a leak without some resistance.

A well organized group of freshmen conceived a dermatology scheme. They turned the sheep shears on the sophomores and shaved their head. Needless to say a few sophomores were caps off that day.

The Norse were active as ever. They wore cosplay hats and suits like those pictured on the news shows in the morning.

HIGHLIGHT OF THE year for the Stars was a dedication ceremony of the Western Bowl in Oklahoma City, Nov. 12. The Stars were featured on local television and carried large signs during the ceremony.

The style of hair was in a period of change. Short lengths were clipped to the back and back to short again. The most popular style of hair was the Bermuda skirt which was in plaid patterns. Sport clothing such as shorts, halter, and trousers were in great demand. A favorite color was the shirt or shirt used to cover bathing suits.

THE NORM WIND was a bi-monthly publication which also included the football season. This took place in the mid-1950s.

The Offices of the news reports were on campus and included "The Student Voice," "The Student Advocate," and "The Student News." These offices were located in the College Union Building.

In 1955, during halftime activities, Jo Ann Cather was crowned Homecoming queen. She was a sophomore from Miami.

Ministry Expresses Concern for Others

Editors Note: The following article is the result of a series of conversations with the various clubs and organizations on campus. Perhaps you have heard of the North Campus Ministry building which the students are currently constructing.

North Campus Ministry students meet once a month and the meetings are generally held a week before the North Campus Organization meetings. Outside of these meetings the minis are broken down to a weekly basis. Sundays at 12 a.m. for worship and then they meet again that evening at 5 p.m. for a fellowship type event.

Ministry at 6:30 p.m. there is a bible study. Wednesday is open for a new session and fun and games get together. Thursday evenings at 7:30 p.m. is another worship service and then Friday and Saturday are left open for retreats, “the football and basketball games,” explained ordained minister Keith Speckard.

At the present time, the organization is involved in a city wide crop drop for world hunger and they are also working on a 1974 25th birthday celebration and they will be holding a dance in the Usdan Room on Thursday, November 15th.

Student Ministry’s mission statement is a statement that is focused on relationships and building a Christian community on campus for all students, especially non-church goers or who have not had a personal prayer or salvation experience.

The purpose of the North Campus Ministry Organization is to serve as a forum for meeting in spiritual needs in a way of worship and counsel. It also serves as a forum for students, the organization is an expression of the church and their concern for the NCU students,” commented Speckard.

North Campus Ministry officers are president Jennifer Hensley, student representative, vice president Debra Berman, Troy representative, secretary Kathy Smith, Troy representative, treasurer Lynda Sigfried, Collinburg representative, and treasurer representative Keller Smith, Azle representative.

Tutors Help With Lower Math Classes

"Our tutors are mainly for those students in the lower level math courses, such as basic math and intermediate algebra," stated Eugene Prevo, chairman of the math division.

"Not near as many students take advantage of the free tutoring services as should," he remarked.

In the math department there are available Monday, Wednesday, and Thursday from 2 p.m. to 7 p.m. in the library conference room one.

"If students need help they can just go to the conference room and a tutor will be there to help them," explained Prevo.

"The math instructors are always willing to assist the student," he added.

The people hired as tutors are students themselves and are math majors.
1955 Gridders
Silver Group Recognized During Homecoming Slate

By Rick Lumenick
Sports Editor

Celebrating their silver anniversary, the 1955 NEO Golden Norse football squad were recognized during homecoming activities Saturday.

Coached by S.L. "Red" Robinson, the Norse finished the 1955 season with a 7-2-1 mark, following an appearance in the 1954 Junior Bowl in Pasadena, Calif.

OPENING THE SEASON with Batesville, the Norsemen overcame a plague of fumbles to shut out the Indians, 31-0. The score was made up during a nine-minute stretch in the first half. The Norse offense became unchallenged throughout the second half to make the final score, 31-0.

The Norse remained in their winning ways the second game of the year by blanking the Southeast Missouri Teachers Bees, 31-6.

REPRISING THEIR FIRST defeat of the 1955 campaign, the undefeated Norsemen dropped a 19-7 decision to the Cameron Aggies in the season's fourth game. Cameron scored for 12 points in the second half to upset the Norsemen, 31-6.

Coming back into the win column the following week, the Norse overcame a 10-0 deficit to nip the Commerce Tigers, 17-10.

Norse Face Rangers in Showdown

By Barney Baker
Sports Writer

Homecoming festivities will be highlighted Saturday evening as the N.O. Norse face the unbeaten Ranger College Rangers. The Norse are ranked 11th in the nation in all major polls and 13th in the Associated Press poll. The Norse dance is tonight at 9 and the game is 11 a.m. Saturday after the Norse 7:30 matinee.

Coming into the game N.O. has the benefit of a 5-0 record and a number one ranking in the National Junior College Athletic Association poll. In their last outing the Norse blanked the Oklahoma State junior varsity 41-0.

RANGER COMES INTO the contest unranked and holds a 4-1 season record. The team of wins includes: Cowley County Community College, McMurry University junior varsity, Texas Christian University junior varsity, and Texas Tech junior varsity. The only loss was at the hands of Garden City Community College, August 30, 1-16.

N.O. leads the all-time series 32-14-6 and is bidding for the Norseman record.

In last year's contest at Ranger, the Norse narrowed a 14-point Ranger lead to 13-12 in a spirited 557-yard battle. Ranger outgained the Norse in total offense, 31-18, and 63 to 51 in passing. Norse Ranger was rolling up 226 yards on the ground and 121 through the air.

AT THE HALF the Rangers held a slim 7-6 lead which was set up by a field goal from center. Ranger recovered the ball at the N.O. 15 yard line and punched the ball over for the score. Ranger put N.O. away in the third quarter with scores resulting from runs of 13 and 60 yards and a 21 yard pass play. N.O. recorded only one score of the night on a one yard plunge in the fourth quarter. An oddity in the game was that both teams achieved 16 first downs.

"Since we dealt with a lot of first and second down solid plays and each year player, every year we enter the season with considerable skepticism because most of our players are untested. We had 14 plays

go to winning 1 NCAA school

in 11 home games in the

season. Now we have

many more opportunities to

confront the big college

defenses," said Coach

Charles.

Ranger has a 2,100

yard passer in coach

Charles.

As a TRAM N.O. has rolled to an average of 399.8 yards in 11 games. Opponents have been held to a 345.9 yard average. The Norse have driven for 65 first downs while opponents have managed 52.

Ted Weder has led the Norse passing attack by completing 50 of 81 passes for a 61.7 percent passing accuracy. The results of his performances have been 355 yards, six touchdowns, and one interception. Weder has also rushed for 110 yards and scored a touchdown.

Averaging 104.6 yards per game Mike Lovett has taken the offensive load on the ground for the Norse. Seven touchdowns have also made Lovett N.O.'s only true star.

Jaycees Honored

As Golden Squad

Along with all the other homecoming activities will be the honoring of the 1950 Northwestern Oklahoma Junior College Jaycees in celebration of their golden anniversary.

Under the direction of band

coach Floyd "Spike" Murphy, the Jaycees finished the 1950 campaign with a dismal 1-3 record. Following a successful 1951-52 season.

Taking to the road for the sec

den opener, Northwestern fell victim to Independence, Kan., and was thumped 25-0.

Still unable to generate an offensive attack, the Jaycees lost their next four of five games, plus a scoreless tie with

Chillicothe Indians. The losses came against Oklahoma State 57-0, Commerce 24-0, and Kansas 57-6.

The Jaycees' only win in the 1950 season came against Fort Wayne of Carmel, Ind., by the score of 13-12.

Still plagued by an adequate defense, the Jaycees dropped two of the final three games in Connersville, Ind., and Monett Junior College 44-6. Northwestern landed at 5-5 in the season.

Other team members were: Kerwin Windham, Howard Long, Robert Tidwell, Granville Griffin, Dudley Miller, Clifford "Gold Bug" Taylor, Tom Shandies, Clarence "Speed" Gordon, and Paul Hayes.

Also listed on the 1950 team were: Floyd Haynes, Bob Miller, Harlen Adams, Dave Wile, and James Wills.

Gridders Rise in JuCo Poll

Ranking List

Coming off a 15-0 layover is preparation for the homecoming clash with Ranger, Texas, Community College, the N.O. Norse, which has notched the top position in the National Junior College Athletic Association weekly football poll.

Last week N.O. held down the sixth spot after winning their third game of the year against the Oklahoma State junior varsity, 41-10.

Moving into the top slot is Kilgore, Texas, Community College after previously top ranked Lamar Central was beaten.

TASTEE FREEZ

Owner - John Booker
Confident Weder Leads Offensive Aerial Attack

By Monte Frisbee
Naples, Florida

Freshman quarterback Ted Weder has the confidence of the Western team because we know what we have in him. He is our starting quarterback and he will be our starting quarterback for the rest of the season. We have a lot of confidence in him and we know that he can lead us to a victory.

In the huddle, I gave him some pointers on his form and he took them to heart. He started making some good throws and we started winning the game.

Weder has a lot of experience and he knows how to play under pressure. He has a lot of confidence in himself and he is able to make the right decisions on the field. He is a great leader and he knows how to motivate his teammates.

When the game is on the line, Weder is able to make the right decisions and lead us to a victory. He is a great quarterback and we are lucky to have him.

In conclusion, Weder is the quarterback of the Western team and he is doing a great job leading us to victory. He is a great leader and he knows how to make the right decisions on the field. We are lucky to have him and we are confident that he will lead us to a victory.

Intramural Action

Titans Defeat NEO Utilizing Vast Depth

Coming off a 5-0 loss to Oral Roberts University in the regular season, the Golden Nation collected a balanced offensive attack to show their competitiveness.

Coach Mike Clark and senior Tony Mayer have been critical in the picking and defensive skills of the squad. The Titans have continued working on fundamentals throughout the fall.

Mark Buchmiller and Victor Duan played well defensively against the Titans while Merle Duan led the team offensively with three sets of four trips to the plate.

With the help of Mayer, the players have contributed on a consistent basis, and have impressed Clark with their overall speed. "We have a talented line-up 64 times so far this season," said Clark. "We need to improve our hitting and baserunning to continue our success in the regular season."
Playground Center Raided by Vandals

The college campus is the home for a new playground for the Child Development Laboratory school.

The new playground was attacked by vandals on the first day that the sand pit and tire-topped fences were in. They forced the police to come out and put a stop to it.

The playground was built by volunteer parents who put in approximately 224 hours labor and donated $175 in cash. The tires were donated by B.F. Goodrich. The cost for the college was approximately $2,700.

The features for the new playground consist of tire rafts, utility pole and tire swings, figure eight tricycle path, sand pit, working pump for water play, covered platform with slide, ladder, steps, and fireman's pole,5 swinging gane, and a storage shed for school toys.

The new playground serves as a lab for student projects and activities. It also serves a day care center for children whose parents have paid fees for their children to attend.

It was built for everyone to enjoy and use, and it is an asset to the entire college. It should be enjoyed, not abused.

Stranded Duet

Experiences Love

By Mary Paul

Editor's Note

"A story of love," promises the advertisement but "The Blue Lagoon" is not only a movie of love but one of bare bodies and tasteful entertainment.

The story is about two children who are raised on a deserted island with only an old sailor for company and guidance. When the children are approximately eight years old, the old man dies, leaving the children alone to grow up and learn the experience of life.

BROOK SHIELDS plays PARI and the part of the girl after a year or so on the island and a new face on the screen. Christopher Atkins, plays the boy Richard.

The acting of these two performers is genuine. The way much acting does take for a lead. Either the man's or a man is still freshening. Don't worry, they don't act this way through the entire film. Since maturing has to occur, however the slightest it may be, the two fall in love, or should I say the movie ends. During the next few scenes they are continually in each other's arms. Various types of animals mating are even included, which should add to the movie but definitely not contribute to the realism.

As Everyman knows, this type of story leads to child birth and this movie is no exception. The way that the couple handles parenthood is unbelievable and only leads to discomfort.

The movie is no innocent it's the opposite. The audience growing up which the script covers are average and we should be prepared because they are utterly ridiculous.

A rating of "PG" has been given to "The Blue Lagoon" but the movie all the way through would have been more appropriate. Even though the material was written to where children could understand it and the role of clothing was stressed the role of clothing was unnecessary for anyone to see.
The Norsewind – the NEO A&M College Newspaper

Digital copies of The Norsewind, Northeastern Oklahoma A&M College’s student newspaper, are available in .pdf format on the NEO website for non-commercial purposes only. Scans were created using the best available editions through the assistance of the Oklahoma Higher Education Historical Society from microfilmed images. Where stains, color-fading, contributed marks or ripped pages were visible on the original, they also appear in the digital copy. NEO newspaper editions that do not appear on the website are not part of the collection at present. If you would like to donate a missing, damaged or incomplete copy of The Norsewind, please contact the NEO Library.
