Donors Exceed Previous Limit

Receiving donations from 132 donors, the recent Red Cross bloodmobile visit proved successful, according to Marge Kruloff, director. Blood donated will be taken to the Tulsa Blood Center. Over 135 students showed up to donate blood, however some students were turned down because of colds, flu, or were on medication. “There was a much better turn-out this year than last year,” said Kruloff, “we were pleased with the success.”

Student Contribution

Voters Canvas State Questions

Campus Clatter

During the week of Halloween, a drawing was held in the Learning Resource Center. Students were asked to guess how many goblins were in a jar, then put their names in a container. The winner will receive $10.50 worth of Halloween candy. The winning name will be drawn this afternoon.

Dyer hall is sponsoring a season concert on Friday, October 30 at 8 p.m in the lobby of Dyer. People attending must be in costume.

Sponsoring a costume party is the student union balloon. The International Club. Everyone is invited to attend. It will begin at 8 p.m.

Norse Campus Ministry is raising off a 1794 console organ. The drawing will be held on the novice floor of the NEOS at 6 p.m. to be at 8 p.m. to the novice floor. The drawing will be held at the NEOS.

Calendar

Beauties

Representing the college in the soon to be published Press Club calendar are: top row 1 to 5: S. Robinson, Tulsa seminary; Paul M. Robison, Tulsa sophomore; Cathy Weissenbach, Tulsa sophomore; Pam Weissenbach, Tulsa freshman; and Kelly Thompson, Tulsa sophomore. Bottom row 1 to 5: L. W. Wilson, Tulsa sophomore; M. Newman, Tulsa sophomore; M. M. Morrison, Tulsa sophomore; Mary Miller, Alton freshman; Susan Horff, Alton freshman; and Brenda Hill, Tulsa freshman.
Typical Citizen Describes Self

By Arthur W. Monroe

October 31, 1982

As a former student of Webster University, I find it fitting to describe myself as a typical citizen of the university.

I, Webster, was born in St. Louis, Missouri, on May 12, 1920. My parents, Mr. and Mrs. Charles Webster, were both graduates of Webster University. My father was a successful businessman, and my mother was a homemaker. I was the eldest of three children.

I attended Webster University from 1936 to 1940, majoring in business administration. During my time at the university, I was involved in student government and was a member of the university's track team. I also worked part-time as a librarian to help support myself.

I graduated from Webster University with a degree in business administration in 1940. After graduation, I worked for a few years in the business world, before deciding to return to school. I enrolled in a graduate program at the university and earned my master's degree in business administration in 1945.

I then worked for the United States Air Force during World War II, where I served as a fighter pilot. After the war, I returned to Webster University and completed my doctorate in business administration in 1950.

I have been a teacher and administrator at Webster University for over 30 years. I have also been involved in various community organizations and charities. I have been married for 50 years to my lovely wife, Mary. I have three children and six grandchildren.

I am a proud alum of Webster University and I am grateful for the education and experience I received there. I believe that the university has prepared me well for my career and personal life.

I am honored to be a typical citizen of Webster University.
Student Coordinator Visits Campus

By Jackie Renter 

"I want the international students who come here to have an enriching experience," remarked Priscilla Everard, dean of the School of Continuing Education at Oklahoma State University. So, she invited Elvira Surupa, a student from Indonesia, to take a campus tour.

Surupa was born on December 15, 1959, in a small village in Central Java, Indonesia. She attended elementary and high school in the same village before coming to Oklahoma State University to pursue a degree in business administration.

During her visit, Surupa visited with students from various countries and learned more about their cultures. She also had the opportunity to attend classes and participate in activities on campus.

"I am very grateful for this opportunity," Surupa said. "I have learned a lot about American culture and have made many new friends.

International Week

This week at the Student Union Ballroom, International Week will be held from Monday through Friday. The week will feature a variety of events, including a concert by the Illinois State University Choir and a performance by the Oklahoma State University Symphony Orchestra.

The International Food Festival will be held on Saturday, with free admission for all. The festival will feature cuisine from around the world, and there will be live music and dance performances.

Country and Western Music Reestablishes Dance Style

In case you haven’t heard the month of October was the month of October was appointed "Country and Western Month" by Governor George Nigh. How did country music get started? Country and Western music is the traditional music of the rural southern United States. It is the music that was played during the 1800s among the pioneers in Kentucky, North and South Carolina, Tennessee, and Georgia.

BINGE THE MIGHT 1905: the popularity of the music—called simple because it is the music that has spread throughout the United States—is due to the fact that it is simple. The country and Western music is the music that was played during the 1800s among the pioneers in Kentucky, North and South Carolina, Tennessee, and Georgia.

Country and Western music is the music that was played during the 1800s among the pioneers in Kentucky, North and South Carolina, Tennessee, and Georgia.

Since the mid-1900s, the popularity of the music has spread throughout the United States, and it is now played in many different places. Country music is the music that was played during the 1800s among the pioneers in Kentucky, North and South Carolina, Tennessee, and Georgia.

If you attend "Liberty" regularly, you may have already noticed that they are playing more and more country music each time and the regulars are beginning to dance country western style that disco.

SOMETHING OF THE various steps that are displayed when a country western song comes on are the ever popular swing dances with its parts that consist of the great, twirl, dip and slide. Other steps are the Cotton-Eyed Joe, Bunny Hop, Two-Step, Schottische, Country-waltz, and Galax.

Why is the country western music and jazz so popular now? Most say that the movie is "Urban Cowboy" and "Honeymoon Cowboy" have made a big country move all over.

"Sponzilizing in Waterbeds"

It's a fact that waterbeds can be an excellent choice for a bedroom. They offer many benefits, such as comfort, support, and a natural sleep environment. However, many people find them too difficult to clean and maintain.

Norse Entertains Pratt for Home Finale

By Richard Anderson

The Norse and the Wolverines are back again for another exciting game.

The Norse are coming off a tough loss to the Eagles last week, while the Wolverines are riding high after a big win over the Fighting Irish. Both teams are looking to bounce back and make a statement.

Norse head coach Charlie Jordan knows his team has a big challenge ahead. "We have to come out strong and play our best football," he said. "We can't afford to give up early and let them take control of the game."

Pratt head coach Mike Smith is equally focused on his team. "We have to stay composed and execute our game plan," he said. "We can't let Norse get to us early and get us out of rhythm."

The Norse will have to stop the powerful Wolverine rushing attack led by running back Jason Smith. Smith has rushed for over 1,000 yards this season and is a key player for the Wolverines.

On the other hand, the Norse have a strong defense led by linebacker Tom Johnson. Johnson has 11 sacks and 30 tackles this season and is a force on the field.

"Our defense has been playing well," said Johnson. "We have to keep our momentum going and hold on to that lead."

The Norse will need to score early and often to keep up with the Wolverines. "We have to score points quickly and make big plays," said quarterback Bob Johnson. "We can't let them score on big plays and have to keep them out of the end zone."

The game will be a battle of two powerful teams and will be a great one to watch.

Top Pass Catcher

By Rick Lemenick

Wide receiver Duane Gunn (87) attempts to catch a pass in front of two Garden City secondary personnel in NEG's 45-0 win over the Broncbusters.

Gunn caught two touchdowns in the game and has been a key player for the Norse this season.

"He's been a big asset to the team," said coach Charlie Jordan. "He's a big target and a big playmaker."

Gunn is looking forward to the game and is ready to take on the challenge.

"I'm excited to play against the Wolverines," said Gunn. "They're a tough team and I know we have to come out strong."

The Norse and the Wolverines are set to face off this weekend and will be looking to come out on top.

Gridders' Poll Position

Despite increasing their season record to 7-3 with a 45-0 win over Garden City (Kan.) Community College, the Golden Norse football squad still hold down their number two position in this week's National Junior College Athletic Association poll.

Still ranked in the top spot is Kilgore, Texas, Community College with a record of 9-1. NEG has closed the gap in the point system with Kilgore. Last week the Norse had 84 points while Kilgore registered 116. This week, NEG is nine points behind with 102 while Kilgore shows 111.

The following is this week's top 15 teams according to the NJCAA ranking list with season records and points:

1. Kilgore, Texas 9-1 116
2. Kilgore, Texas 9-1 116
3. Kilgore, Texas 9-1 116
4. Kilgore, Texas 9-1 116
5. Kilgore, Texas 9-1 116
6. Kilgore, Texas 9-1 116
7. Kilgore, Texas 9-1 116
8. Kilgore, Texas 9-1 116
9. Kilgore, Texas 9-1 116
10. Kilgore, Texas 9-1 116
11. Kilgore, Texas 9-1 116
12. Kilgore, Texas 9-1 116
13. Kilgore, Texas 9-1 116
14. Kilgore, Texas 9-1 116
15. Kilgore, Texas 9-1 116

In PREPARING FOR a game Gunn starts getting everyone together on game day. "I can't think about the game a week ahead of time," Gunn said. "I get ready on the day of the game and start getting everything together." "Duane's only weakness would be that he is not a good practice player," Wolfe commented. "That is, he doesn't concentrate to make himself better on the practice field." "I would consider my weight my weakness. Sometimes cutbacks are bigger and stronger than I am and it is hard to block them and control the block," Gunn stressed. Double majoring in sports medicine and business administration, Gunn expresses an optimistic view on his future both in athletics and in academics. "As an athlete, I want to be on a major college team and win a bowl game and a national championship. As for academics is concerned, I want to prove people wrong by doing good. It will be where Duane will be happy and I am sure he will do it and I am working on it," concluded Gunn.
Offensive Raid Blanks Broncos To Lift Mark
By Janet Bowling

For the second week in a row the Golden Norseman lined up in a powerful attack to blank No. 13 ranked Garden City Community College 44-0, Saturday night at Memorial Stadium in Garden City, Kan., to spoil the Broncbuster's homestanding. The winning defense allowed Garden City only 44 yards rushing for the second time this season with 307 yards total offense to increase their winning mark to 11 games and gave the Norse a perfect 7-0-0 season mark. Garden City falls to 3-3 on the year. The Norse have now scored 93 points over the past two games against Garden City and Ranger, Texas while yielding only 33 points.

The game was only 2:19 old when the Norse scored again with their first points on an 18-yard pass off the right tackle by quarterback Tod Weder. A fourth quarter quarter back David Green at the Broncs 66 yards later, with drive with a 15-yard pass from Weder to Jeff Herriges, with Devin Gunn being the important play of the drive. Doug Furnas hit the nose tackle for 44 yards on the play.

Weder, 4:46 left in the first quarter the Norse struck again with a 63-yard scoring pass for the longest pass play of the season for the Norse. Furnas added the extra point to increase the Norse Margin 14-0.

FURNAS GOT INTO the scoring act again by scoring over from the one-yard line with 4:06 left in the second quarter. The TD capped a 76-yard drive for the Norse. An eight-yard pass from Weder to Johnny Johnson put the Norse on the drive along with runs of 13 yards from Weder and 10 yards from Johnson. Furnas added the extra point and the Norse maintained a 21-0 halftime lead.

Green returned the second half kickoff 43 yards to give the Golden Norse another scoring opportunity. The Norsemen snap shop at their own 45 and drove to the Broncs 13-yard line before the drive bogged down. A 30-yard field goal attempt blocked by Furnas gave the Norse a 24-0 lead with 11:01 left in the third quarter.

The Weard-to-Gunn combination clicked again for the Norse on a 34-yard TD pass with 7:02 left in the third period. Furnas missed the extra point, but the Norse held a commanding 34-0 lead.

OPENING THE FOURTH quarter with a 30-yard scoring pass by tailback Mike Cooper, the Norsemen completely dominated the offensive line of scrimmage. The big play of the drive was a 28-yard run by Weder on a third-and-six play at the 28-0. Cooper added the two-point conversion as the Norse led 34-0 and increased their unbeatable 3-0-0 advantage.

With 16 seconds left in the game, freshmen reserve quarterback Steve Wolfe scored on a one-yard run. Furnas booted the extra point to give the Golden Norsemen a 45-0 victory.

Eluding Tacklers

With the conclusion of the 1986 fall baseball season, second year head coach Mike Clark is looking forward to having a respectable, yet competitive squad that should challenge for the 1981 State Conference championship. Returning a strong nucleus of sophomores from last year's team, Clark feels that some of the incoming freshmen could step in for starting positions.

The coach told the sophomore on the dumping this fall that they have to work hard to make the team because of all the new freshman talent, "emphasized Clark.

"IM PLEASED ON the way we have progressed and developed as a team this fall," stated Clark. "We've worked hard on our weaknesses and we have some things to look forward to this spring.

Our pitching is good and we've been able to establish a running game with the speed we have along the base paths," Clark added.

With 30 players currently on the roster, Clark emphasized that there will be no further cuts. "We usually carry 27 on the team with 34 of them coming up for a game but there were some guys that were injured and were unable to participate during the fall season and I want them to show me what they can do," stated Clark.

According to Clark, there is no competition between this year's and last year's teams. "We are a better baseball club and talent-wise, we are five runs better than last year. We have a lot of skilled people that major colleges are looking at as well as several interested pro teams," Clark commented. "Some of our strong points other than our speed, is that we have two or three power hitters that are capable of driving the line drives which we need with the size of our field. Another thing is our ability to hit and run. Last year we had to make sure to teach the players how to do to hit as this year's team was able to do it."

CLARK PRAISES the sophomores baseball players with their leadership on the field. "They have been great leaders and have worked hard with the freshmen by explaining and yelling at them and there is no squabbling going on among them," concluded Clark.
