Health screenings featured at Fair

By Dawn Morrison

News Editor

Approximately 65 exhibitors will be present during the third annual Health Fair and Career Day Friday, Feb. 24, from 11 a.m. to 1 p.m. in the new gym.

The event is co-sponsored by the Placement Office and the Nursing and Medical Laboratory Department.

"The Health Fair will consist of two main purposes, one is to provide screening for health problems and the other is to provide information on topics," said Bernad Robinson, co-organizer and nursing instructor.

"Any student interested in health related job opportunities should take advantage of the opportunities available at the fair," Robinson said.

Because area hospitals will be represented at the fair, students will have the opportunity to contact possible job openings in the field of health care.

"Information will be offered to students on health problems from infancy to old age," said Robinson.

Some of the services on display at the fair will include: diet, cancer, osteoporosis, communicable diseases, and preschool health education.

Visitors are advised to take advantage of the health screenings available for vision, hearing, carotid, dental, diabetes, oral cancer, height and weight, and blood pressure.

"For fee of $20 a blood and urine test will be run to check for cholesterol and sugar levels in the body," Robinson said.

Preemie items are included in the chemistry profile which will check the complete blood count including the red blood cell count, white blood cell count, hemoglobin, hematocrit and differential.

Interested students need to follow a basic rule to qualify for testing, "Students need to abstain from eating anything for 12 hours prior to the test to help provide the best testing," Robinson said.

The testing is scheduled for 7 a.m. to make the requirement easier to follow.

The fee for the cost from Upstate Laboratories in Kansas City will be included in the test.

For more information concerning the Health Fair students should contact Bernad Robinson or Jenny Grillo at 542-8441, ext. 235.

Child care workshop covers new innovations

"Fun in February" is the theme for the workshop sponsored by the Child Development department scheduled for Saturday, Feb. 27 in Hazel Hall.

"Child care workers in the area may earn one hour college credit for the full day morning session," said Dr. Marian Edwards, head of the child development program.

Cost for the conference and lunch is $25. Tuition for those wanting credit will be $90.00 for Oklahoma residents and $150.00 for out of state participants.

Registration must be made in advance. Because of space restrictions, you must register as soon as possible. Applications should be sent to Dr. Edwards at the college.

The workshop is run by those involved in child care to further their knowledge in the field and to help them use that knowledge to help in work situations," Dr. Edwards said.

Sessions will include a variety of topics for professionals in child care ranging from fun things to apply on the job to more serious health concerns.

Topics include sing for learning, ear infections in preschoolers, science in the preschool classroom.

Funeral services were held Tuesday for Gladys "Dee" Copas, 86, a retired faculty member who helped build the business department on campus.

Members of the college faculty and administration served as pallbearers and honorary pallbearers during the services.

Mrs. Copas headed the college business department for 23 years, before retiring at the end of the 1967 school term.

She was the only teacher in the college business department when she retired in 1967.

Later Mrs. Copas would teach the first night business classes at the college.

Mrs. Copas was named Teacher of the Year in 1987. At the time of her retirement the college had nine business department instructors and 146 business students.

Mrs. Copas was named in her honor.

The building which houses the business division, Copas Hall, was named in her honor.

A memorial fund in Mrs. Copas' name has been established with the college Development Foundation.

Club offers car checkups for low price

Over 75 check-ups on auto trouble spots will be made by the automotive technology department Feb. 24-25 from 6 until 7:30 p.m. in the automotive shop.

This will be a complete check-up of a vehicle's driving condition.

The $5 charge is very inexpensive especially when compared to the cost of being towed to a garage," said Jimmy Manney, automotive instructor.

The community service fund-raiser was offered last year to students and proved so popular that two nights were set aside by students this semester.

Items to be checked include lights, windshield wipers, battery, exhaust system, suspension, tires, cooling system, anti-freeze, belts, engine oil, transmission, brake and steering fluid.

Any written check list of problems will be provided for each vehicle tested.

"Many of the problems can be corrected by the driver," said Manney.

The students just spot potential problems and inform owners what needs to be done," Manney said.
### Views of 6 Presidential Candidates on Paying for College and Supporting Research

<table>

### President expresses appreciation during difficult time

Dear Editor:

Would you please express my sincere appreciation to the administration, faculty, staff, and students of the college for the prayers, flowers, cards, and words of encouragement following the loss of my Dad. During difficult times like this, friends certainly make a difference.

Thank you.

Bobby R. Wright

Students receive accolades

Who's Who in American Junior Colleges will recognize 12 sophomores this spring in a national publication, and they will have a special section in the Villa yearbook.

Recipients of the honor were selected by a faculty committee which viewed academic achievement, leadership, and participation in activities on campus.

Monty Franks, faculty advisor for the yearbook, said the following were chosen:

Curtis Adams, Omron accounting major, is a member of the Student Senate. Piano Major Club, Baptist Student Union, and Phi Beta Lambda. Also has been a representative for Colgate University.

Jackie Barnard, Leedy mathematics major, is a member of the Robin Club and the Aggie Society and has served on the Student Senate.

Michael Barnes, television broadcasting and theater major from Springs, has been in Student Senate, Omega Beta Lambda, Masquers Club, Tau Kappa, Norge Road, and involved in a number of stage productions of the drama department.

Brady Birdsong, psychology major from Oviedo, has been president of the Student Senate and a state officer. He is current president of Sigma Lambda Chi, a student club for the Student Senate and vice president of the Young Democrats.

Darren Colson, Miami business administration major, has served as vice president of the Student Senate, honors club, and has been a member of the Bd. of Directors of the Student Senate.

Era reflects style changes in lifestyles

Today the '50s era is remembered for its good times, style, music and cars. The '50s was the first time the fashion trend set by teenagers was noticed by the general public. The teenagers of the '50s were the first to wear jeans, and the style they set was copied by adults. The boys were often seen with their hair combed back or in short, neat haircuts. The girls wore their hair in pigtails or ponytails. The music was rock and roll, and the dance was the Twist. The fashion was simple and comfortable, with denim jeans and basic t-shirts being the most popular choice.

FLASHBACK

Eugene, portrayed by Jay Hensley, speaks at the Class of '59's reunion while Moe Lynch, played by Teri Mocha, and Toots, played by Kristi Harris, look on.

Campus production revives nostalgia

By Gregg Emerson

Greasie, the musical that showed us how to be a tough guy, how fun it is to go to school, and how much greaser boy's style in the '50s was influenced by rock and roll, is a cult classic. The show was performed in the Fine Arts Auditorium on Friday, Feb. 25-26. The musical received seven Tony Award nominations. The actors of the show, including grease king John Travolta, brought memories of the golden age of rock and roll to the students. The show was a success, and the students were thrilled to see the revival of this classic musical.

movie version lacked definite sensual quality

Billboard's Note: The following review appeared in the July 15, 1977 issue of Billboard magazine. It would be ap-propriate to correspond with the college production of "Grease." The M-G-M movie is a somewhat cheap, rather correctly well at Paramount Pictures.

Please Wait, Friday, Feb. 15, 1975

'Grease-y' kids still stuff

Movie version lacked definite sensual quality

Billboard's Note: The following review appeared in the July 15, 1977 issue of Billboard magazine. It would be ap-propriate to correspond with the college production of "Grease." The M-G-M movie is a somewhat cheap, rather correctly well at Paramount Pictures.

A musical dream sequence in which we (5) and Charles are singing "Beastly Meat Dropouts: Rotten Boys of Grease Haircut Cuts" can be attributed to Cresswell and producer Allen Carr, known as the "Elvis Maxwell of the New Hollywood.

But Carr and 30-year-old TV director Harold Arlen have been quite a successful musical numbers. In the "Grease" movie, the notorious '50s hairstyle and fashion trends are brought back to life, and the music is a fast-paced rock and roll masterpiece. The plot revolves around a high school student who falls in love with a popular girl and must compete with the school's greaser boy for her attention. The love triangle and the challenges of the high school social scene create a thrilling and exciting story.
Wrestlers advance to nationals

With seven wrestlers gaining berth in the national tournament, the Golden Norsemen finished second in the Region 10 tournament, last Monday, in Garden City, Kan.

"We really wrestled well and if we would have won one more match, we would have won the regionals," said wrestling coach Alan Lauchner. "We just couldn't put a back that we needed to." Head Coach Garden City Community College won the tournament.

The Norsemen earned the one-day tournament berth by placing third in the Nebraska National Junior College Athletic Association polls.

NDSU finished second with 69 total points. The fourth-ranked Norsemen received a first-place finish by Tim McColl at 125 while five other wrestlers finished second in their respective weight classes.

Northwest Community College, Powell, Wyo., finished third with 62 points while Laramie Community College, Laramie, Wyo., was fourth with 36 1/2 points. McColl, a junior, scored 50 points while Colby (Kans.) Community College placed sixth with 27 points.

Dodge City (Kans.) Community College recorded 24 1/4 points while Pitts, Ariz., finished fifth with 24 1/2 points.

The top three finishers in each weight class earned a berth in the national tournament, next Thursday, Feb. 22-23, in Glen Ellyn, Ill.

"We're looking forward to competing in the national tournament," said Lauchner. "It seems the tougher the tournament, the better we wrestle. Our guys should rank high in the national tournament."

All-American Tony McCall finished second in the 185-pound class. McColl lost a close 6-5 decision to Gabby Muraza of Garden City in the finals.

McColl was the only one of five seniors in the tournament. He lost a 10-3 decision to John Zuccotti of Phoenix in the semi-finals.

McCald earned a 5-4 decision over Todd Humphries of Northeastern Wyoming in the first match.

Sophomore Brett Gray got a close 5-4 decision to Scott Kelly of Northwest Wyoming in the finals of the 125-pound class.

Gray advanced by defeating Bill Almon of Garden City, 15-0 in the semi-finals. Gray drew a bye in the opening round.

Another Golden Norse sophomore, Chris Chinn, earned a berth in the nationals by placing third at 142.

Chinn defeated Lance Owens of Northwest Wyoming, 8-3, in the consolation finals. Chinn lost a 1-9 decision to Patrick Lee of Dodge City after defeating Dana Metzger of Colby, 7-5, in the opening match.

Sophomore Mike McColl dropped both matches in the 195-pound class. McColl lost a 7-2 decision to Chad Clugston of Northwest Wyoming before being eliminated with a 4-0 loss to Don Gengler of Colby.

Senior Jay Lorenzo finished second at 132.

Lorenzo lost a 12-4 decision to Jesse Smith of Northwest Wyoming in the finals. Lorenzo had an advanced with a 5-4 victory over Bob Holland of Colby in the semi-finals.

Lorenzo defeated Ron Barkenhahn, 12-4, in the first match.

An injury default cost the Golden Norse points at 197. Freshman Richard Reesman had a lead in his first match with Dan Holland of Colby. With 45 seconds left in the match, the referee stepped in and awarded Holland a win.

"Richard had torn some ligaments in an earlier match with Lutte. We thought he was sound enough to go, but it didn't work out this way," Lauchner said.

Sophomore Paul Foster failed to qualify for the nationals in the 177-pound class. Foster was pinned with 45 seconds left in overtime by Curtis Harris of Lutes in the consolation finals.

Foster had lost to Jeff Pick of Dodge City, 9-3, in the first match before defeating Scott Moody of Garden City, 6-4, in the consolation semi-final.

Foster defeated Todd Eliot finished second in the 190-pound class.

"Basically, it all came down to our heavyweight match. If we could have won that match, we could have won regionals," Lauchner said.

Freshman Jim Jolly was pinned at 4:59 in the heavyweight finals by Ken Forsten of Garden City. Jolly had pinned Jeff Kates of Phoenix at 4:42 to earn a spot in the finals.

Jolly defeated Jason Willis of Dodge City, 9-2, to start the tournament.

Ladies control conference fate against Eastern

The Lady Norse are in a situation that they can control their own destiny.

After notching the home portion of the schedule with a victory over Hastings, the Lady Norse face a crucial conference contest against Wisconsin Valley on Monday.

Currently standing at 13-2 on the season, the Lady Norse hold a 1 1/2 game advantage on UW-Stevens Point with a 12-3 conference record with 7-3.

On Thursday, the women travelled to Wisconsin Valley for an important conference contest.

If the Lady Norse are able to win their final regular season games, they will capture the conference championship.

The second competitor in the conference race is Eastern with a 6-7 record.

The Lady Norse will travel to Wisconsin Valley to battle the Lady Mountaineers in the final regular season game of the year.

Earlier this season, the two met with the Lady Norse coming out with the victory, 84-42.

Erma Johnson and Shaws Daniels lead the Lady Mountaineers.

Against the Lady Norse on Feb. 1, Johnson and Daniels scored 10 points each in lead Eastern.

Melissa Barrington grabbed seven rebounds.

Karen McClure carried the Lady Norse. She scored 13 points and six rebounds.

Georgia Browne led the Norse in rebounding with 12 on her name.

Lady Norse 54, Paris, Tex., 43

Charlene Allen scored 21 points in leading the Lady Norse to the non-conference victory.

Albany St. tied for first place goals and one of two free throws in leading all scorers in the game.

Browne and Bertrice Doney added 10 points each in the win.

OFF TO NATIONALS

Larry Norse, 56, Bacon County

Doney poured in 18 points and grabbed 11 rebounds as the Lady Norse captured their seventh conference victory on the season.

Marathon opens drills

Six returning letter winners provide a solid nucleus as the Lady Norse softball squad opens pre-season drills.

Coach Bob Maxwell has two pitchers returning from a team that posted a 29-13 record last season.

The women captured the Big 8 Conference championship with a perfect 6-0 mark while winning the Region II tournament.

The Lady Norse lost to Cornerstone College of Niswong, Mo., in the finals of the District C championships.

On Saturday, the Lady Norse completed a 100-inning softball marathon starting at 2 p.m. on the NDSU softball Complex. Proceeds will go to the softball program.

"We would like to encourage any girls to come out and give our girls some competition in the pre-season," said Maxwell.

Ballpark of the Lady Norse mentor staff is veteran Tony Bingley.

Last year, Bingley posted a 20-11 record in 491 innings of work as a freshman. Bingley walked nine and struck out 83 while recording a 1.24 earned run average.

Sophomore Deana Seaba also returns to handle Lady Norse mound chores. Seaba worked 55 innings with a 7-2 record as a freshman.

Seaba walked 12 and struck out 27 while posting a 2.16 ERA. She also collected 11 hits in 37 at bats for a .270 average as a designated hitter.

Beginning at first base for the Lady Norse is Lisa Rice. Last year in 27 games, Rice hit .321 with 12 hits in 60 at-bats. Rice also collected 13 runs batted in with one double and one triple.

Anchoring the shortstop position is sophomore Kari Stave. During her freshman season, Stave batted .325 in 177 plate appearances.

Stave collected three doubles and two home runs while driving in 26 runs. Stave also led the team with 15 stolen bases.

Senior Rice will handle the duties behind the plate. Last season, Rice hit .366 in limited duty with one triple and four RBIs.

Providing depth in the outfield is sophomore Trish Kyff. As a freshman, Kyff collected five hits in 11 at-bats. She also collected three RBIs and five stolen bases in eight games.

Six freshmen are challenging for starting spots in the Lady Norse field. Along with pitching pool are Megan Huston, Shauna Jaglin, Dana Niel, Stacy O'Meara, Jodyne Pharriss and Kristi Stothers.

Freshman Dana Hunt will split playing time between the outfield and the pitchers mound.

Other freshman outfield candidates include Cinnamon Choate and Dee Howard.

Five tournaments and 18 doubleheaders highlight the 1989 schedule.
6 Athletics

Strong recruiting bolsters baseball

Powerful offense and pitching

Key ingredients to campaign

Second-year head baseball coach Bill Mayberry is hoping intensive practice and strong pitching will carry the Golden Norsemen as they turned up the heat in the second round of the NCAA Tournament in Shreveport, La., on Friday.

Last season's Golden Norse posted a 26-25 overall record. The Norsemen won the Big South Conference Eastern Division with a 15-5 record.

Only five starters return from a junior class that featured 15 freshmen out of 26 players. Despite the ineptitude of the Norsemen, Mayberry is optimistic on the season.

"We are a young team, but we had a good recruiting year and I think we'll be stronger than last year," said Mayberry.

"If there is anything that I feel we might be weak in, it would be our speed." But with the power hitters we have, we're not going to be running very much. We could have a stronger defense as well." Last year the Norse hit .288 as a team while the pitching staff averaged 4.68 runs per nine innings. Due to the conference pairing, the schedule remains much of the same as last year.

"There is not a weak team on the schedule," said Mayberry. "All of the teams can play." Larry Guerrero, a sophomore from San Antonio, Texas, led the team in hitting as a freshman with a .398 average.

David Rigg, a Weatherford sophomore, led the Norse with 11 home runs, four triples, and 33 doubles as a freshman last year.

Other returning starters include Eric Vrana, Jeff Lashinov, and Mike Kembler.

Vrana, from Tulsa, batted .358 while driving in 10 runs.

Lashinov, from Tulsa, batted .369 while driving in 23 runs and hitting home runs, one triple, and nine doubles.

Vrana, from Rusty, batted .278 while driving in 11 runs.

Akwandan of the Goldene Norseman squad position-by-

position is as follows:

Pitching

Scott Wight, a sophomore from Commerce, returns to anchor a deep and talented pitching staff.

As a freshman, Wightfled the 1997 season with an 0-2 record. The sophomore had a 2.35 earned run average in 71 innings while gaining All-Region honors.

"He is the only pitcher on the staff that has proven to be aces with the college team," said Mayberry.

Other returning pitchers include Chet Winkle, Danny Bednarek, and Bob Zeeck.

Sawtayn, from Saskatchewan, Canada, finished the season with a 5-2 mark and a 3.38 ERA.

Chuck, from Little Rock, Ark., was 5-2 in relief action last year with a 4.71 ERA.

Jezek, from Tulsa, ended the season with a 3-5 record and a 4.36 ERA.

Freshman hopes include:

Brian Blair, Cheyenne, Chad Bargren, McClellan, Rick Bergstrom, Sand Springs; Brian Davis, Corpus Christi, Texas; Jeff Harrison, Kansas City, Kan.; Jamie Williams, Miami, and Bernard Holloway, Vicksburg, Miss.

Catcher

Greg Blevins, from Cheyenne, and Mike Judy, freshman from Sperry, are battling for the starting position.

Blevins, who transferred out of high school by the Kansas City Board, will be looked upon for the offensive punch.

Judy will be counted upon for defensive support.

First Base

King returns this year to anchor the first base position.

"Along with King, John O'Brien, a freshman from Tulsa, will provide additional offensive power. "John O'Brien is comparable to David King," Mayberry said.

"We'll have to find a way to get both of their bats into the lineup," Middle infield.

Two freshmen and one sophomore will alternate at shortstop and second base.

Lashinov, a senior last year, will be the starting third baseman.

Blevins, from Commerce, will start at catcher, and Hightower, from Dallas, will back up the position.

Center Field

Brad Donaldson is center in center for Mayberry.

"He's a good hitter and defender," said Mayberry. "He's just as solid in center as he is in the infield."

Right Field

Guerrero, the Norseman's leading hitter last year, and sophomore Mike Grant will be batting for the right field position.

Grant had six hits in 20 at-bats last year.

Intramural Highlights

Pool

A doubles and solo pool tournament will be held in the Student Union game room next Tuesday at 5 p.m.

Anyone interested in competing in the fall should contact the Norsemen through their official pool club.

Cavaliers visit Miami in final home contest

Revenge will be the name of the game as the Golden Norsemen take on the Cavaliers of St. Gregory's in the final regular season game of the year. The Norsemen are 15-12 overall, 8-10 in the Big South Conference.

The Norsemen and Cavaliers have competed in the Big South West Conference since the conference was formed in 1997.

The Norsemen are a 24-7 team, led by seniors Austin Jones, Jared Roney, and Trevor Severson.

The Cavaliers are a 21-4 team, led by seniors Caleb Reynolds, Noah Severson, and Hunter Roney.

The Norsemen and Cavaliers have met in 15 regular season games since the conference was formed in 1997.

The Norsemen lead the series 9-6.

In the final regular season game of the year, the Norsemen are 15-12 overall, 8-10 in the Big South Conference.

Lacy also led the Norse offense with 18 points. Mike Harris added 16 points.

Norsemen 63, Bison 47
Maintaining a lead throughout the contest, the Golden Norsemen beat the Bison for the third time in the season.

The Norsemen led 35-32 at halftime.

Severson scored 18 points, followed by Roney with 16.

Severson and Reynolds combined for 24 points.

Roney and Reynolds combined for 31 points.

Reynolds is fourth among the scoring leaders in the conference with 23 points per game.

On the return the Norsemen have the Mountaineers a 68-65 loss in the Big South Fieldhouse.

Reynolds was held to only 16 points by Severson and Roney.

Roney and Reynolds combined for 50 points.

Lacy also led the Norse offense with 20 points. Mike Harris added 16 points.

Norsemen 63, Bison 47
Maintaining a lead throughout the contest, the Golden Norsemen beat the Warriors for the third time in the season.

The Norsemen led 49-39 at halftime.

Roney scored 14 points, followed by Reynolds with 12.

Roney and Reynolds combined for 26 points.

Roney and Reynolds combined for 37 points.

Roney and Reynolds combined for 47 points.

Roney and Reynolds combined for 59 points.

Lacy also led the Norse offense with 30 points. Mike Harris added 16 points.

Mountaineers 63, Bison 47
