

## **Upward Bound Activity Release Form**

### **School / Other Activity Release**

The Upward Bound Program is an academic enrichment program aimed at helping students succeed in high school and prepare for post-secondary education. Although we encourage students to attend all events, we understand that there are certain instances in which students may not be able to attend. If you feel that the school event is mandatory, and he/she cannot miss the event, please fill out the short form below so that he/she will be excused from the academic or cultural enrichment activity scheduled on the same day. If you need more information, please contact me, Elsie Grover, Upward Bound Director, at 918.540.6319. You may be contacted for verification purposes. Thank you!
