		The above list is a suggested course sequence only. Students may, with guidance from an academic advisor, make changes to the course sequence. Students should be aware that changes to the course sequence may require more than four semesters to complete their Associate Degree.
		KEY
		* Prerequisite
		~ Course may require admission specific program
		# Prerequisite or co-requisite
		^Not offered every semester
General College Preparatory Requirements		
NEO evaluates students for placement into their transitional or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by ACT test scores or by CPT test scores. These tests are administered in the Testing Centers at NEO College. Based upon these scores, some or all of the following courses may need to be taken prior to enrollment in the college level course.		
MATH 0013 Basic Math MATH 0113 Introductory Algebra MATH 0123 Intermediate Algebra MATH0125 Intermediate Algebra with Review		
ENGL 0123 Basic Composition CIED 0133 Improved Reading		
SCIENCE: A student may be required to complete MATH 0123 or higher and/or CIED 0133 before enrolling in a college-level science course.		

PROGRAM OVERVIEW

This curriculum leads to an Associate in Arts Degree and is designed to prepare students for transfer to a Bachelor's program. By proper advisement in the selection of electives, students also may prepare for a four-year program in Psychology or Sociology. Students should consult the catalog of the college or university to which they plan to transfer and carefully select courses that will meet requirements for both the baccalaureate and associate degree programs. For more information contact the Psychology and Sociology Program at (918) 540-6348 or socialscience@neo.edu.

CAREER OPPORTUNITIES
